Effective with the January 2008 health insurance deduction, the City's contribution shall increase in an amount not to exceed ten percent (10%) for medical insurance, five percent (5%) for dental insurance and five percent (5%) for vision insurance. In the event that the premium rates for City's Blue Shield HMO, Delta Dental PPO, Delta Care HMO and Vision Service plans increase by less than ten percent (10%), five percent (5%) and five percent (5%) respectively, the City contribution caps will be adjusted based on the actual percentage increases. In the event that these caps are exceeded, the employee shall pay any increased amount above the City's contribution caps.

As a result of these formulas, it is understood that the employee contribution shall not decrease during the term of this Agreement nor is there any expectation of compensation or benefit in the event the City's contribution cap is not reached.

4. Employee payroll deductions shall be made on a pre-tax basis.**5. Medical Cash-Out**

Effective with the first payment following City Council ratification of this agreement, if an employee is covered by a medical program outside of a city-provided program (evidence of which must be supplied to Human Resources Department, they may elect to discontinue City medical coverage and receive the amount equal to the City's contribution to the lowest cost, Employee-only medical premium offered to this unit.

Evidence of insurability is contingent upon total participation in additional amounts.

MANAGEMENT EMPLOYEES' ORGANIZATION

D. Long Term Disability Insurance

This program provides, for each incident of illness or injury, a waiting period of thirty (30) calendar days, during which the employee may use accumulated sick leave, general leave pay, or the employee may elect to be in an unpaid status. Subsequent to the thirty (30) day waiting period, the employee will be covered by an insurance plan paid for by the City, providing 66 2/3 (sixty six and two-third) percent of the first \$12,500 (twelve thousand five hundred) of the employee's basic monthly earnings.

The maximum benefit period for disability due to accident or sickness shall be to age sixty five (65).

Days and months refer to calendar days and months. Benefits under the plan are integrated with sick leave, Worker's Compensation, Social Security and other non-private program benefits to which the employee may be entitled. Disability is defined as: "The inability to perform all of the duties of regular occupation during two years, and thereafter the inability to engage in any employment or occupation for which the employee is fitted by reason of education, training or experience." Rehabilitation benefits are provided in the event the individual, due to disability, must engage in another occupation. Survivor's benefits continue plan payment for three (3) months beyond death. A copy of the plan is on file in the Human Resources Department.

The intent of long term disability is to assist employees who are off work for an extended period of time. While long term disability benefits can be coordinated with accrued leave benefits to achieve one hundred percent (100%) of regular salary, no employee may receive more than their regular salary while receiving disability benefits and paid leave.

E. Miscellaneous**1. City-Paid Premiums While on Medical Disability**

the City's Retiree Subsidy Medical Plan may choose to participate in City-sponsored medical insurance plans until the first of the month in which they turn age sixty-five (65).

Employees who retire from the City and receive a retirement allowance from the California Public Employees' Retirement System and are not eligible for the City's Retiree Subsidy Medical Plan and choose not to participate in City-sponsored medical insurance upon retirement, permanently lose eligibility for this insurance.

However, if a retiree who is not eligible for the City's Retiree Subsidy Medical Plan chooses not to participate in City-sponsored medical insurance plans because the retiree has access to other group medical insurance and subsequently loses eligibility for that group medical insurance, the retiree and their qualified dependents will have access to City-sponsored medical insurance plans reinstated.

Eligibility for Retiree Medical Coverage terminates the first of the month in which the retiree or qualified dependent turns age sixty-five (65).

G. Post-65 Supplemental Medicare Coverage
