The Benefits of Tennis

Historically known as the “sport for a lifetime,” tennis can be played by just about anyone, at any stage of their fitness journey. As we all know, exercise is important for good health, and tennis has specific health benefits that gives it an edge over many other types of physical activity. Recreational tennis has health benefits for the cardiovascular system, the muscles, bones, agility levels and more. In addition, tennis is a fun activity that reduces stress. For children, learning how to play tennis early on can improve energy levels and enhance an individual’s confidence and optimism later on in life.

Below are just a few of the many benefits one can gain from participating in this illustrious activity:

- Heart Health
- Improves balance, dexterity, mobility and agility
- Calorie Burning
- Mental Health Benefits
- Interval Training

The community services department offers an array of tennis programs from beginner classes to advanced and a selection of new tennis workout programs. Choose between group lessons, semi-private or individual private lessons on days, times and locations that fit your schedule.
