YOUTH SPORTS

The City of Huntington Beach Youth Sports Program stresses the importance of teaching young people not only the rules and strategies of games but important lessons about life as well. Positive youth sports programs help young people develop confidence and self-esteem, help them learn to resolve conflicts peacefully, teach them ways to take care of their health and well-being, and help them develop skills for communicating with others. Coaches, spectators, families and participants are encouraged to be mindful that these programs are designed to develop the whole person, not just the athlete, and that sportsmanship is a required element of the City of Huntington Beach Youth Sports program.
