# Fix Your Broken Stuff!!

**Saturday, November 14, 2015 10AM-1PM**

Huntington Beach Utilities Yard  
19001 Huntington Street  
Huntington Beach, CA

This is a **FREE** family-friendly event.

Children age 6 and up are welcome when accompanied by responsible adult.

**BRING:**

1. your broken or non-working item (carry-in only – no stoves, refrigerators, washing machines or other oversize items)
2. accessories, parts, and tools you already own that might be helpful (e.g. phillips head screwdriver, small pliers, new parts)
3. any knowledge or advance research you've done on the issue
4. boxes, bags and/or small containers to organize (and carry away) parts.

*Walk-ins are welcome, but advance registration is preferred and receives priority.*

# Become a Volunteer Coach

Fixit Clinic is billed as "guided disassembly" and troubleshooting all you really have to do is give people permission to open up their broken stuff and help them try to fix it.

**What do I need to know?** All types of repair skills are needed:

- Small-to-medium electric and electronics repair
- Small appliance repair
- Bike repair
- Textile mending
- Other special knowledge or skills

**Do I need to bring tools?**

- A small toolkit with some basic tools
- Unique or unusual tools related to your special skill
- Don't bring any tools that you're really concerned about losing

**Educate**

- Fixit Clinic is about teaching people how to fix their item (almost entirely) by themselves, not handing them a fix. A coach's job is to offer encouragement and advice.
