

New iPhone Application for

Download the *free* application

from the iPhone Apps Store

Tap “New Issue” to report:

- Abandoned Vehicles
- Beach Maintenance Issues
- Dead Vegetation
- Graffiti
- Illegal Dumping
- Illegal Signs or Postings
- Nuisance Property
- Overgrown Vegetation

The screenshot shows an iPhone app interface for reporting a 'New Issue'. At the top, the status bar shows 'AT&T', signal strength, Wi-Fi, and the time '3:01 PM'. The app header is dark green with a 'Menu' button on the left, 'New Issue' in the center, and a 'Submit' button on the right. Below the header, there are several input fields: 'Add Photo' (with a camera icon), 'Graffiti Abatement' (with a right arrow), '2119 California St Huntington Beach' (with a right arrow), 'Comments *' (with an 'Add comments' button and a right arrow), and 'Contact' (with three rows: 'Name: John Public', 'Email: John@yahoo.com' (with a right arrow), and 'Phone: 7141234567'). Below the contact fields is a note '* - Required Field'. At the bottom, there is a city skyline graphic and the 'Government Outreach' logo.

How does it Work?

- Add Photo to take a picture
- Built-in GPS documents the location
- Add comments if desired
- Tap the Submit button
- iPhone sends photo and location
- Correct staff receives your request
- You receive a tracking number

Tap “Track Issues” to

- Check the status of request
- Add information
- Reply to tracking information
