

Neighborhood Electric Vehicle (NEV) Transportation Plan

The City is currently in the process of creating a City-wide Neighborhood Electric Vehicle (NEV) Transportation Plan and we are seeking input from NEV users, the business and tourism community, and interested parties.

Please join the City of Huntington Beach, Gensler Architects, and the Southern California Association of Governments as we discuss neighborhood vehicle usage, routes, and infrastructure on

**Thursday, August 11th, 2016 from 5-7pm
at the Huntington Beach Central Library in Room B**

Should you have any questions please contact antonia.graham@surfcity-hb.org or the City's Transportation Manager Bob Stachelski at bstachelski@surfcity-hb.org.
