Dear Mr. LoGrasso:

I am writing to inform you that, in compliance with the California Elections Code, the circulation timeframe of 180 days for the above titled measure has passed. Since you did not file the petitions in my office prior to the circulation deadline, the petitions are now void for all purposes.

The circulation period is based on the following:

The corresponding section of the California Elections Code is found in Division 9, Chapter 3, Article 1:

Section 9208.

Signatures upon petitions and sections of petitions shall be secured, and the petition, together with all sections of the petition, shall be filed within 180 days from the date of receipt of the title and summary, or after termination of any action for a writ of mandate pursuant to Section 9204, and, if applicable, after receipt of an amended title or summary or both, whichever occurs later. Petitions and sections thereof shall be filed in the office of the elections official during normal office hours as posted. If the petitions are not filed within the time permitted by this section, the petitions shall be void for all purposes. (Enacted by Stats. 1994, Ch. 920, Sec. 2.)

Frank, if you have any questions, or if I can be of service in the future, please give me a call at 714-536-5404.
