**CITY OF HUNTINGTON BEACH
REQUEST FOR CITY COUNCIL ACTION**

SUBMITTED TO: HONORABLE MAYOR AND CITY COUNCIL MEMBERS

SUBMITTED BY: *Penelope Culbreth-Graft*
PENELOPE CULBRETH-GRAFT, CITY ADMINISTRATOR

PREPARED BY: PAUL EMERY, ACTING DIRECTOR OF PUBLIC WORKS

SUBJECT: Adopt a Resolution to Establish Atlanta Avenue east of Brookhurst Street as a Diagonal Parking Zone

2005 MAY 17 7 51 AM
HUNTINGTON BEACH, CA
CITY CLERK
RECEIVED

Res. No. 2005-40

Statement of Issue, Funding Source, Recommended Action, Alternative Action(s), Analysis, Environmental Status, Attachment(s)

Statement of Issue: A resolution is required to establish an area of the City as a Diagonal Parking Zone. Striping Atlanta Avenue east of Brookhurst Street to allow diagonal on-street parking on the south side of the street will increase overall public parking supply to support local businesses and recreational access to the Santa Ana River Trail.

Funding Source: The recommended action will require the expenditure of approximately \$4,000 in staff time and materials and can be provided within the current operating budget of the Public Works Department, Traffic Signs and Markings, Business Unit 10085302.

Recommended Action: Motion to:
Adopt Resolution No. 2005-40; a Resolution of the City Council of the City of Huntington Beach designating portions of Atlanta Avenue as a Diagonal Parking Zone.

Alternative Action(s): Deny adoption of the resolution and continue the current configuration of parking spaces.

E-4

REQUEST FOR ACTION

MEETING DATE: 6/6/2005

DEPARTMENT ID NUMBER:PW 05-033

Analysis: The Public Works Department received a request and petition from business owners on the east side of the intersection of Atlanta Avenue and Brookhurst Street to evaluate alternatives for providing additional on-street parking in the area. The business owners believe that their parking is impacted by overflow demand for on street parking intruding into private parking areas. The area would benefit from the availability of additional on-street parking during peak demand periods.

The section of Atlanta Avenue east of Brookhurst Street has been dedicated to the City at full primary arterial width of 100 feet. However, this section is not indicated as an arterial on either the City's General Plan or in the County Master Plan of Arterial Highways (MPAH). Lacking these formal classifications or any future plans to extend the roadway across the Santa Ana River, the City has significant latitude in determining exactly how the existing street is used.

The City's Municipal Code Section 10.40.200 indicates that diagonal parking is permissible on streets. City Council approval by resolution is required prior to installation. Based on the request from the area business owners, the potential general public benefits of diagonal parking in this area and the underutilization of the existing paved surface of Atlanta Avenue, staff agrees the proposal has considerable merit. A street layout has been designed that provides diagonal parking on the south side of the street and also improves some unrelated operational problems in the block. Diagonal markings will increase available on-street parking from 24 existing spaces to 32 spaces.

Public Works Commission Action: The Public Works Commission reviewed and approved this proposal on April 20, 2005 on a 6-0-1 vote (Spencer absent).

Environmental Status: Not applicable.

RESOLUTION NO. 2005-40

A RESOLUTION OF THE CITY COUNCIL
OF THE CITY OF HUNTINGTON BEACH
DESIGNATING PORTIONS OF ATLANTA
AVENUE AS DIAGONAL PARKING ZONE

WHEREAS, the Department of Public Works has received a petition from citizens and businesses requesting an evaluation of parking on the east side of the intersection of Atlanta Avenue and Brookhurst Street; and

The east side of the intersection of Atlanta Avenue and Brookhurst Street lacks a formal classification and is not subject to the City's General Plan or the Orange County Master Plan of Arterial Highways; and

The City has no plans to extend Atlanta Avenue across the Santa Ana river; and

Diagonal parking increases the available on-street parking in this area from 24 existing spaces to 32 spaces; and

Increased parking spaces is a benefit to the businesses in this area as well as supporting recreational access to the Santa Ana River,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Huntington Beach that the east side of the intersection of Atlanta Avenue and Brookhurst Street be restriped and designated diagonal parking.

PASSED AND ADOPTED by the City Council of the City of Huntington Beach at a regular meeting thereof held on the _____ day of _____, 200__.

Mayor
