

**Notice of Public Hearing
for City Council Meeting on September 16, 2013**

NOTICE IS HEREBY GIVEN that a public hearing will be held by the City Council at the Civic Center Council Chambers, 2000 Main Street, Huntington Beach, at the hour of 6:00 p.m., or as soon thereafter as possible on Monday the 16th of September, 2013 for the purpose of adopting a resolution establishing an Underground Utility District on Brookhurst Street from Garfield Avenue to approximately 900 feet South of Adams Avenue. This notice complies with City Council Resolution 2013- 43 that sets this date for the public hearing. The proposed action is pursuant to Chapter 17.64 of the Huntington Beach Municipal Code that authorizes the City Council to designate underground utility districts by resolution.

An Underground Utility District is an area in the city where poles, overhead wires and associated overhead structures are prohibited. The costs for placing utility lines underground within the public street right-of-way within the Utility Underground District will be paid for by the City or the respective utility companies based upon the rules and regulations of the Public Utilities Commission.

The City Engineer's report of the Underground Utility District is available for review by the public in the Public Works Department, first floor, or the City Clerk's Office, second floor, of City Hall, 2000 Main Street, Huntington Beach between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. Interested persons may also contact Todd Broussard of the Public Works Department at 714-536-5247 to receive additional information.

All citizens are invited to attend the public hearing and express their opinions for or against the adoption of the resolution. Written communications to the City Council may be directed to the City Clerk prior to the date and time of the public hearing.
