CITY OF HUNTINGTON BEACH
REQUEST FOR CITY COUNCIL ACTION

SUBMITTED TO: HONORABLE MAYOR AND CITY COUNCIL MEMBERS

SUBMITTED BY: FRED A. WILSON, CITY ADMINISTRATOR

PREPARED BY: TRAVIS K. HOPKINS, PE, DIRECTOR OF PUBLIC WORKS

SUBJECT: AMEND MUNICIPAL CODE SECTION 10.12 - SPEED LIMITS

Statement of Issue, Funding Source, Recommended Action, Alternative Action(s), Analysis, Environmental Status, Attachment(s)

Statement of Issue: In August 2008, the City Council completed a revision to the Municipal Code Section 10.12 adopting new speed limits on several streets. Following that action, it was discovered that the revised ordinance did not include one of the speed limit changes identified in the report. This action corrects the ordinance, consistent with the previous review by the City Council.

Funding Source: Funds are available in the General Fund Public Works Transportation Division Signs and Markings operating budget to revise speed limit postings as necessary.

Recommended Action: Motion to: Approve and adopt Ordinance 3816 An Ordinance of the City of Huntington Beach amending Chapter 10.12 of the Municipal Code relating to speed limits.

Alternative Action(s): Adopt posted speed limits different from those recommended and forgo enforcement using speed-measuring devices on amended segments.

Analysis: Chapter 10.12 of the Municipal Code was amended in August 2008 based on the results of speed limit analyses for 66 street segments within the City. The original July 21, 2008 Request for City Council Action presented a detailed review of the results of the analysis and a summary of each of the recommended speed limits. At the time, four segments were recommended for 5 mile per hour speed limit increases and eight segments were recommended for 5 mile per hour speed limit decreases.

One of the eight segments recommended for speed limit reduction was Saybrook – between Humboldt and Edinger. In preparing the legislative draft and final copy of the revised Ordinance, the Saybrook speed limit change was inadvertently omitted. Staff is returning a revised copy of the ordinance including this change to correct this action. A second minor change is the consistent spelling of Goldenwest to one word.

Public Works Commission Action:
The Public Works Commission reviewed the item at their June 18, 2008 meeting and approved the proposed Update of Speeds Surveys and Speed Limits by a vote of 6-0-1 (Spencer absent) including the revision included in the recommended action.

Strategic Plan Goal:
C-1 Improve transportation through a variety of means including improving traffic flow, synchronizing traffic signals, traffic calming, and alternative transportation methods such as bike and walking paths.

Environmental Status: This action is not subject to environmental review requirements.
