(City Council) City Attorney's Report of Action Taken by the City Council in Closed Session on November 7, 2005 Pursuant to Government Code §54957.1 Regarding City of Huntington Beach v. State of California, Coast Community College District, City of Tustin, City of Stanton, et al.; Orange County Superior Court Case No. 05CC00118; and related actions: City of Huntington Beach v. Huntington Beach Police Officers Association; United States District Court Case No. SA 01-1125 JVS; and Scottsdale Insurance Company v. Huntington Beach Police Officers Association, and the related counterclaim, American States Insurance v. City of Huntington Beach, United States District Court Case No. SA 03-1143 JVS. (120.80)

City Attorney Jennifer McGrath reported that on Monday, November 7, 2005, the City Council convened in closed session to discuss the matter of *City of Huntington Beach v. State of California, Coast Community College District, City of Tustin, City of Stanton, et al.*; Orange County Superior Court Case No. 05CC00118; and related actions: *City of Huntington Beach v. Huntington Beach Police Officers Association*; United States District Court Case No. SA 01-1125 JVS; and *Scottsdale Insurance Company v. Council voted to authorize the following actions:

1. That the City Council authorize the Mayor to sign and the City Clerk to attest to the settlement agreement in the amount of \$55,000 with the United States of America regarding the Huntington Beach Gun Range. This payment amounts \$0.055 per round fired, assuming the United States fired 1,000,000 rounds. This amount is less than the \$0.12 per round fired, as was the payment calculation for all the other settlements to date. (A draft of the settlement is attached; the final version of the agreement is subject to the approval of the City Attorney, consistent with the terms as approved by the Council.)
2. In exchange for the payment to the City, the City will:
 - (a) Dismiss with prejudice its suit against the United States.
 - (b) Apply with the United States for Court approval of the settlement agreement. If granted, Court approval would bar anyone (including the POA) from suing the United States regarding the cost of cleaning up the Gun Range.
 - (c) If the Court denies the application, the United States would defend itself against any third-party claims from POA or otherwise. The City will not defend and indemnify the United States, as it has done in other settlement agreements. (This is a favorable provision, achieved in exchange for the lesser payment.)

The Council voted as follows: 5 Ayes; 0 Noes; 0 Abstentions. Mayor Jill Hardy and Councilmember Keith Bohr were absent at vote.
