City Council Interoffice Communication

To: Honorable Mayor and City Council Members
From: Gil Coerper, Councilman *GC*
Date: November 4, 2005
Subject: *H-Item – Nov. 21 Council Meeting – 3-1 Water Bill Insert*

RECEIVED
2005 NOV 10 AM 9:18
CITY CLERK
CITY OF
HUNTINGTON BEACH

As you know, in March of this year, the City Council adopted a Marine Battalion based out of Camp Pendleton. Specifically, we adopted the 3rd Battalion - 1st Division Marines (The 3-1).

Shortly thereafter, a citizen committee was formed with a mission as follows:

"To support the Marines and Sailors of the 3rd Battalion, 1st Marine Regiment, 1st Marine Division, and their dependents and families, and to be especially responsive to emergencies and special needs which may occur while the battalion is deployed defending our great nation."

To assist them in making the citizens of Huntington Beach aware of their efforts and to offer them an opportunity to participate, the 3-1 Committee would like to place an insert in an upcoming water bill. A draft copy of their insert is attached.

In our role as sponsors of the 3-1, I would request that the City Council waive the usual charge of 2 cents per item for placing the insert in the water bill. and that we also waive the cost to have the city print shop print the insert.

MOTION: Approve waiving the usual charge for placing an insert in the city water bills and waive the cost for printing the insert in the city print shop.

In April 2005, the City of Huntington Beach adopted the 3rd Battalion – 1st Division Marines, to demonstrate our support and gratitude for the brave men of the "Thundering Third" and their equally brave families.

We provide emergency assistance to families in need, send care packages, and provide hard-to-get necessities to our deployed troops, and do whatever we can to let them know their sacrifices are noted and appreciated by the people of Huntington Beach.
