**ORDINANCE NO. 3992
Adopted by the City Council on NOVEMBER 4, 2013**

“AN ORDINANCE OF THE CITY OF HUNTINGTON BEACH THE OXY USA, INC. FRANCHISE TO CONSTRUCT, OPERATE AND MAINTAIN A PIPELINE SYSTEM FOR THE TRANSPORTATION OF OIL”

SYNOPSIS:

On March 18, 2013, City Council approved the Franchise Agreement between the City and OXY USA, Inc. (OXY) for the installation, operation and maintenance of a new pipeline system for the transportation of oil, gas, and other hydrocarbon substances. The Agreement allowed the installation of a 6-inch diameter pipeline, 1,407 linear feet in length, running northwest from the OXY facility located at intersection Pacific Coast Highway and 19th Street, along the alleyway located between Pacific Coast Highway and Walnut Avenue, to the OXY facility located at the intersection of Pacific Coast Highway and Goldenwest Street. The Agreement also called for the abandonment of an existing 6-inch diameter pipeline, 1,694 linear feet in length, running northwest from the OXY facility located at intersection Pacific Coast Highway and 19th Street, along Walnut Avenue, to the OXY facility located at the intersection of Pacific Coast Highway and Goldenwest Street.

Since adoption of the Franchise Agreement, OXY examined the integrity of the pipeline scheduled for abandonment and determined the pipeline is in good working condition. As a result, OXY requested to place the existing pipeline back into service. The Amendment Agreement allows the pipeline back into service and adjust the Base Annual Fee collected from OXY accordingly. Staff estimates a net increase in annual revenue of \$1,520.

PASSED AND ADOPTED by the City Council of the City of Huntington Beach at a regular meeting held November 4, 2013 by the following roll call vote:
