SYNOPSIS:

Updates to the Huntington Beach Municipal Code were needed to reflect modifications to the department name for the Planning and Building Department and the position titles for three department head positions. The position title of Finance Director will be changed to Chief Financial Officer, the Director of Planning and Building will be changed to Community Development Director to correspond with the change to the department title as reflected in the FY 15/16 budget, and the Director of Information Services will be changed to Chief Information Officer as reflected in the recent recruitment brochure. There will be no changes to the duties or responsibilities of the re-titled positions. The re-titled positions for Finance and Information Services reflect industry trends and enhanced accountability for overall fiscal and information/innovation technology, respectively. The ordinance also makes clean up amendments to be consistent with the City Charter to include appointing authority of the Director of Community Development, Director of Library Services, Director of Public Works, and Chief Information Officer.
