Request # 17247 from the Government Outreach System has been assigned to Agenda Alerts.

Request type: Comment

Request area: City Council - Agenda & Public Hearing Comments

Citizen name: Charles Lung

Description: As a citizen resident of Huntington Beach, I support the establishment of a City Task Force to address the issue of the Homeless Population in Huntington Beach. This should be an outreach effort, not an effort to 'move them out' and should include participation by the City Manager, Police and Fire Departments, Faith Based Organizations, including the Greater Huntington Beach Interfaith Council, Non Profit Organizations that are already working on this issue, the Business Community, and interested Private Citizens.

Please give this issue your thoughtful and careful consideration.

Expected Close Date: February 4, 2014
