Each candidate may purchase up to two copies (sets) of indexes for his/her own use or the use of his/her committee. These may be a complete set, including all precincts within the district in which the candidate is running, or a partial set, including some of the precincts in the district. Indexes sell for 50 cents per thousand names or portion thereof. Indexes may be ordered by filling out the proper form at the Registrar of Voters office or by writing a letter to the Registrar of Voters office, requesting indexes for a certain district. The cost of the product is payable in advance at the time the product is requested. For further information, please call (714) 567-7615.

The candidate must complete a written request form containing a signed declaration that the data purchased will be used only for election purposes.
