**G-2a. (City Council) Approve for Introduction Ordinance No. 3699 Amending Section 10.44 of the Huntington Beach Municipal Code Regulating Parking Time Limits of Oversized Vehicles, Recreational Vehicles and Detached Trailers on City Streets** (560.20) Communication from the Chief of Police transmitting the following **Statement of Issue:** The Police Department receives numerous calls daily from citizens regarding oversized vehicles, recreational vehicles and detached trailers parked on City streets. The general issue is the length of time that these vehicles are parked in the same location on public streets. The complaining residents believe the recreational vehicles parked on the streets negatively impact the quality of life in their neighborhoods, creates a safety hazard, are unsightly and clutter the streets.

The Municipal Code, in its present form, is not only difficult to enforce, but is also time consuming and often times does not resolve the original issue for the complaining resident. This is discouraging for the resident and leaves them believing the Police Department is not adequately responding to their requests in a timely manner. The vagueness of certain aspects of the code results in numerous traffic hearings for those who wish to challenge the citations. The combination of these issues taxes the resources of the Police Department and reduces the time available to focus on other problem areas in the city.

**Recommended Action:** After City Clerk reads by title, approve introduction of **Ordinance No. 3699** – "An Ordinance of the City of Huntington Beach Amending Chapter 10.44 of the Huntington Beach Municipal Code Relating to Oversized Vehicle Parking," by roll call vote.

PowerPoint titled *Recreational Vehicle Parking City Council Meeting February 22, 2005* is included in the agenda packet.
