Newland Barn Information

GENERAL INFORMATION:

- Minimum rental is two hours.

- No tarps or dance floors are allowed on the lawn.
- There is no climbing or swinging allowed on the fences or trees. Children are not permitted to play past the water tower, or near the museum.
- The Newland House Museum is not available for rental. The museum will remain open during its regularly scheduled hours.
- The parking lot has 60 spaces with two spaces designated as handicapped. Additional parking is available in the Newland Shopping Center.
- Only the back gate will be unlocked. The side gates by the Museum remain locked at all times.
- The Rose Garden on the south side of the Museum is a good setting for wedding pictures.
- Wedding arbors, canopies, etc. can be placed anywhere on the lawn or patio. Runners are not recommended as they make it difficult to walk on the grass. Flowers placed to define a path work much better.
- There is an unpredictable sea breeze that blows across the lawn toward the barn. Paper products and tablecloths should be anchored down. No confetti is allowed. Though rarely used, there is a heater; the thermostat is on the north wall. There is no air conditioning.
- Weather permitting; there is room on the lawn and patio for as many as 125 guests. A 20-foot tarp fits over the patio in front of the French doors. Each doorway is six-feet wide with the doors open.
- The only exterior power outlet is below the kitchen window. For the south end, run an extension cord from a restroom plug through the back door.
