AMERICAN YOUTH CHARACTER AWARDS®

GUIDELINES FOR COMPLETING THE NOMINATION FORM

The American Youth Character Awards® are the only national awards given to young people solely for strength of character. They are not to be given for isolated acts of heroism or generosity, although such acts may rightly call attention to a nominee. Nor are they to be given simply for high grades, selection for leadership posts, excellence in athletics or the arts, or any combination thereof. Rather, the American Youth Character Awards® are designed to honor young people (regardless of their family background, race, culture, financial status, I.Q. or physical condition) whose lives and achievements demonstrate an enduring commitment to qualities associated with good character. Those selected should be undeniable role models for their generation.

In completing this nomination form and any supporting documents, be aware that the following instructions will be given to the judges who evaluate all nominees.

1. All individual nominees must reside in the City of Huntington Beach and will be evaluated in the following general categories. Only individual nominations will be accepted. Group nominations are not eligible.

The nominee's beliefs, attitudes and actions have consistently exemplified the Six Pillars of Character®. The Six Pillars of Character® are:

- Trustworthiness integrity, honesty, reliability and loyalty
- Respect valuing all people; living by the Golden Rule; honoring the dignity, privacy and freedom of others; courtesy; politeness; tolerance and acceptance of differences
- Responsibility fulfilling duties, accountability, pursuing excellence, and exercising self-control
- Fairness being just and impartial and having both a willingness to listen and an openness to differing viewpoints
- Caring being compassionate, kind, loving, considerate and charitable
- Citizenship doing one's share, helping our community, playing by the rules and respecting authority and the law

2. Nominees will also be evaluated in any or all of these three specific categories, as applicable:

- Overcoming Obstacles – Nominee has demonstrated perseverance and inner-strength in overcoming societal, physical, financial or other difficulties, (and/or)
- Generosity & Self-Sacrifice – Nominee has demonstrated uncompromising integrity and courage in doing the right thing despite social pressure or personal risk, (and/or)
- Community Service – Nominee has demonstrated community service in working for the common good.

It is not necessary that a nominee excel in all the specific evaluation categories. Nominees may not have been presented with the same challenges or opportunities to demonstrate their character. Judges will select honorees based upon their overall character. Thank you again for your efforts.
