

CITY OF HUNTINGTON BEACH
2015-2019 CONSOLIDATED PLAN
HOUSING and COMMUNITY DEVELOPMENT NEEDS SURVEY

The City of Huntington Beach receives approximately \$1,000,000 in Community Development Block Grants (CDBG) and \$400,000 in HOME Investment Partnership grants each year for housing and community development projects. The City is seeking input from the public as to how this money should be invested, and requests your assistance in filling-out the following survey. As you complete the survey, please consider: 1) The needs in your neighborhood and how they can be improved; 2) The need level (high, low, or no such need) for each item listed and check the one that best applies.
