The U.S. Small Business Administration plays a vital role in enabling America's entrepreneurs to start, grow and succeed. Through our wide array of services - loan guarantees, assistance for small businesses in federal contracting, and business counseling – the SBA has helped millions of individuals start and grow their small businesses.

The Santa Ana District monthly Management Training Calendar is one of those services. This calendar provides information on co-sponsored business workshops, expos, and conferences provided by our Resource Partners, other government agencies, local government agencies, and business organizations in the counties of Orange, Riverside and San Bernardino. Events pertaining to the small business community from non-cosponsored events are listed in the section called Other Events.

Visit the Santa Ana District Office website at www.sba.gov/ca/santa or to see all that the SBA has to offer small businesses view the national website at www.sba.gov. A list of U.S. Small Business Administration resources is on the next page.
