

City of Huntington Beach Community Profile Adopted Budget - FY 2010/11

Lifestyle

Huntington Beach is a picturesque community offering ideal weather, a diversified and productive economy and employment base, a wide range of high quality housing, excellent educational system, scenic boat marinas, and 752 acres of lush parkland, all in a friendly place.

Huntington Beach is the ideal Orange County destination to live, work, and play. Residents and visitors of this scenic City treasure the 8.5 miles of wide, sandy beaches hugging the coastline and the casual yet sophisticated lifestyle of coastal living.

Huntington Beach has a reputation for being “number one” as noted in the numerous recognitions received:

- The “Best City to Live in Orange County” according to the Orange County Register Consumer’s Choice Survey
- The number one place to raise children in Southern California
- Named “Dog Town USA” by Dog Fancy magazine – One mile of golden sand for dogs where they can frolic in the water and taste a sense of freedom

The City has a world-class Library located within the 356-acre Central Park as well as four additional branch Libraries. The Central Library & Cultural Center hosts the largest Children’s Library in the state and a delightful community theater group.

Popular places for cultural and sports in Huntington Beach include the Art Center, five recreation centers (including a senior citizens center,) the International Surfing Museum, Pier Plaza, Equestrian Center, and a Sports Complex. The major religious affiliations are represented in Huntington Beach in over 50 houses of worship.

Fine to casual dining with a variety of savory cuisine to suit everyone’s palate can be found at hundreds of restaurants throughout the City.

Location

Huntington Beach is located on the shore of the Pacific Ocean in northwestern Orange County. Huntington Beach is bordered by Westminster to the northwest, Fountain Valley to the northeast, Costa Mesa to the east, Newport Beach to the southeast, and Seal Beach to the west. The city is positioned for the global market at 18 miles southeast of the Port of Long Beach and Los Angeles Harbor, 35 miles southeast of Los Angeles, and 95 miles northwest of San Diego.

Land Use

The City has a mix of land uses serving residents, regional populations, and recreational visitors. The land use designations are 65% residential, 8% commercial, 9% industrial, 1% mixed use, 10% open space, and 7% of other types. How a city balances its land uses assists in the local economy by allowing for enough space for industry and other businesses to provide products and jobs. One of the primary goals of the City’s land use policy is to “Achieve development that maintains or improves the City’s fiscal viability and reflects economic demands while maintaining and improving the quality of life for the current and future residents of Huntington Beach.”

City of Huntington Beach Community Profile Adopted Budget - FY 2010/11

Commercial

Huntington Beach has approximately 1,300 acres zoned for commercial use. The major concentrations of commercial uses in Huntington Beach are located along Beach Boulevard, Brookhurst Street, Edinger and Warner Avenues, and at many major intersections.

Industrial

With a strong commitment to industrial activities, the City has 1,762 acres of land zoned for industrial use. There are three general industrial areas: the Northwest Industrial Area, the Gothard Industrial Corridor, and the Southeast Industrial Area. Major industrial development continues in the Northwest Area of 28 acres of McDonnell Center Business Park Phase II. The Gothard Industrial Corridor represents unique opportunities for “incubator” industries, or first generation businesses.

Business & Economy

Huntington Beach is the fourth largest city in Orange County and the 20th largest city in California. The City of Huntington Beach is a leading commercial, industrial, and recreational center of Orange County, with a diverse economic base and educated workforce.

Technology and tourism are the leading industries in Huntington Beach. Other major business types include aerospace, automobile sales, home remodeling and goods, public utilities, petroleum, data and computer research, precision instruments, and various types of manufacturing. With a diversified employment base and a highly educated work force, Huntington Beach has a healthy local economy. Annual taxable sales of about \$2.5 billion place Huntington Beach as one of the top retail sales communities in the County.

Huntington Beach is home to 650 industrial businesses, including Boeing, Quiksilver corporate headquarters, Dynamic Cooking Systems, Cleveland Golf corporate headquarters, and C & D Aerospace. Boeing is not only the largest employer in the Huntington Beach; it is the largest employer in the state.

There are many unique shopping opportunities in Huntington Beach. The city has more than 30 neighborhood and regional shopping centers, with nearly 8 million square feet of retail shopping space to satisfy every dining and shopping need. The City, Chamber of Commerce, and the Marketing and Visitors Bureau, market the community to encourage visitors and residents to shop in town to support the local economy. Huntington Beach demographics bring impressive buying power to a wide variety of retail and service businesses. The City also established the Surf City Savings program to promote local shopping by encouraging local merchants to offer discounts to those choosing to shop in Huntington Beach.

Beach Boulevard of Cars

The Beach Boulevard of Cars has 10 new-car dealerships and serves a regional market from its central Beach Boulevard location. The Beach Boulevard of Cars was voted “Best Auto Boulevard” five years in a row in the Best of Orange County Register’s Consumer Choice Survey. Auto sales are the city’s largest retail category contributing to the sales tax base each year.

Facts and Figures

Population	202,480 (2009 Estimate)
Average Family Household Income	\$121,480 (2008 Estimate)
Median Family Household Income	\$97,677 (2008 Estimate)
28 square miles	Fourth largest city in Orange County – 20th Largest in California

RESOLUTION NO. 2010-69

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
HUNTINGTON BEACH ADOPTING A BUDGET FOR THE CITY
FOR FISCAL YEAR 2010/11**

WHEREAS, Article VI of the Huntington Beach City Charter requires the City Administrator to present and the City Council to adopt an annual City Budget; and

The City Council has received and considered the Proposed Budget 2010/11, staff reports, and public testimony and information received in a noticed public hearing on the City budget,

NOW, THEREFORE, the City Council of the City of Huntington Beach does resolve as follows:

SECTION 1: That the budget for the City of Huntington Beach for Fiscal Year 2010/11, as set forth in Exhibit A, attached hereto and incorporated herein by this reference, is hereby adopted.

SECTION 2: That the estimated revenue and transfers for Fiscal Year 2010/11, when combined with reserves, are sufficient to fund the appropriations and are as set forth in Exhibits A and A-1, which are attached hereto and incorporated herein by this reference.

SECTION 3: That the Proposed Budget for Fiscal Year 2010/11, Exhibit B, providing appropriations summaries of details currently contained in the City's accounting system, and detail of estimated revenue, is hereby approved.

SECTION 4: That the City Administrator may transfer funds from one expenditure type to another within the same fund provided there is no increase in approved total appropriations contained in the budget.

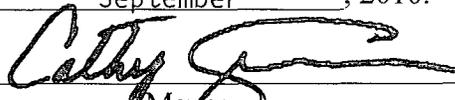

SECTION 5: That the Tables of Organization, attached hereto as Exhibit C and incorporated herein by this reference are hereby adopted. The City Administrator, subject to compliance with the City Charter Section 403, may revise the Tables of Organization as long as the authorized number of personnel within the same department, office or agency are not exceeded.

SECTION 6: Acquisition of new capital items shall be limited to the specific items included in the approved budget. Acquisition of capital items to replace existing capital equipment shall not exceed the total appropriation for the funding source. The City Administrator may authorize changes to the procurement of specific items as long as the total appropriation for any department, fund or agency is not exceeded. However the City Administrator must obtain City Council approval for items that exceed \$500,000.

SECTION 7. That the Capital Improvement Program contained in the Proposed Budget for FY 2010/11, Exhibit B, are approved in concept, and in accordance with Section 503 and Section 614 of the City Charter. The Director of Public Works is authorized to publicly advertise for bids on these projects.

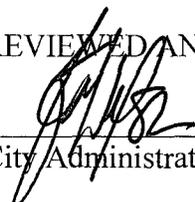

SECTION 8. That construction of capital improvement projects requires the use of professional services such as geo-technical, water testing, engineering oversight, project management, design, survey, and other required studies. Funding for these professional services is included within each Capital Improvement Project's budget as set forth in the Proposed Budget for FY 2010/11, Exhibit B. Consistent with the City Council's policy regarding professional service agreements, the City Council hereby authorizes the City Administrator, or designee, to enter into any necessary professional services agreements to facilitate the completion of an approved Capital Improvement Project.

PASSED AND ADOPTED by the City Council of the City of Huntington Beach at a regular meeting thereof held on the 20th day of September, 2010.

City of Huntington Beach Revenue Descriptions and Assumptions Adopted Budget – FY 2010/11

GENERAL FUND REVENUE

Property Tax: \$66,825,000 – This category represents Huntington Beach’s largest revenue source, accounting for 37.6 percent of total budgeted General Fund revenue for FY 2010/11. The last several years have witnessed significant changes to the real estate market, from double-digit growth in the early part of the decade to flat and even negative growth in assessed values in recent years.

The boom and bust of the real estate and mortgage markets on the national level have negatively impacted property tax revenue locally in Huntington Beach. The stagnation of the property market caused by the bursting of the housing bubble has resulted in tempered revenue projections for FY 2010/11 and beyond. Historically, property values feel the effects of recessions later and thus, do not recover until long after other aspects of the economy. This effect can be seen locally as other sources of revenue such as sales tax are beginning to recover, but property values remain depressed.

Huntington Beach’s total assessed value of property (excluding redevelopment areas), grew by one percent in FY 2010/11 compared to FY 2009/10, based on County of Orange Assessor’s Office data. This minor increase in assessed value is the lowest since FY 1999/2000, and far below the twenty-five year average of 5.25 percent annual growth.

Total property tax revenue for the City is projected to increase by just under one percent in FY 2010/11 when compared to FY 2009/10 projections. However, Huntington Beach is fortunate in that property values have not suffered as much as other parts of the State such as the Inland Empire.

Other Local Taxes: \$51,165,000 – This revenue category represents the second largest source of General Fund revenue. The four major types of revenue in this category comprise 28.8 percent of General Fund revenue budgeted for FY 2010/11:

Sales Tax: \$20,115,000 – This fiscal year represents a return to historical sales tax growth levels. The FY 2010/11 projected revenue amount is 2.8 percent higher than the FY 2009/10 budget. The deep recession of the past two fiscal years severely impacted the City’s sales tax revenue, driving total taxable sales to levels not seen since 2004. Since sales tax represents 11.3 percent of total General Fund revenue, any negative change in this revenue stream directly impacts the City’s ability to provide basic services. Fortunately, sales tax revenue responds much more quickly than property tax when the economy improves. Stronger retail and vehicle sales forecasts for 2011 and beyond bode well for Huntington Beach.

Utility Users Tax: \$19,480,000 – The city charges a 5.0 percent utility user tax (UUT) on water, gas, and electricity usage and a 4.9 percent rate on cellular and land line telephone and cable/video usage. This source of income accounts for 10.9 percent of General Fund revenue. Residents of Huntington Beach recently passed Measure P, which lowered the tax on telecommunication and cable usage to 4.9 percent. This modernization of the City’s UUT ordinance was necessary in order to maintain revenue from telecommunications and cable/video UUT in light of the numerous new technologies emerging in recent years.

Franchises: \$6,035,000 – The city has several franchise agreements providing 3.4 percent of General Fund revenue. The largest sources of franchise revenue are from the Southern California Gas Company (SoCal Gas) and Southern California Edison (SCE). Together, these companies are projected to supply \$2,050,000 in franchise revenue for FY 2010/11. A recent change in the terms of the franchise agreement with SoCal Gas, coupled with lower natural gas prices, has resulted in franchise revenue decreasing significantly from prior years. In addition, the City receives franchise payments from Rainbow Disposal as part of their refuse and recycling contract.

City of Huntington Beach Revenue Descriptions and Assumptions Adopted Budget – FY 2010/11

Transient Occupancy Tax (TOT): \$5,535,000 – More generally referred to as the “hotel tax,” this revenue source is projected to increase in FY 2010/11 as the hospitality industry begins to recover from the worst recession in over seventy years. Historically low occupancy rates and average daily rates severely impacted Huntington Beach’s TOT revenue stream. The Shorebreak Hotel, which opened in downtown Huntington Beach in May 2009, will continue to bolster the City’s TOT revenue. However, only a recovery in tourism and business travel spending to pre-recession levels will truly help Huntington Beach reap additional TOT revenue. There are plans to add new hotels in the City which will help provide additional TOT revenue in the future (i.e., three to five years out).

Licenses and Permits: \$6,613,000 – A comprehensive fee study completed in June, 2009 updated many Planning and Building and Public Works development related permit and license fees. As development activity slowly recovers from the recession, this category, representing 3.7 percent of General Fund revenue, will see increased revenue.

Fines, Forfeitures, and Penalties: \$4,157,500 – This category, representing 2.3 percent of General Fund income, records revenue from traffic and parking tickets as well as fines levied on delinquent library materials. Also of significance is the revenue from fines for false alarm responses.

Use of Money and Property: \$14,377,000 – This category, representing 8.1 percent of General Fund revenue in FY 2010/11, is projected to decrease when compared to the FY 2009/10 adopted budget. Pooled cash interest revenue and lease and concession income are projected to be lower in FY 2010/11 versus FY 2009/10. With interest rates at historically low levels coupled with the City Treasurer’s conservative investment approach, pooled cash interest will come in significantly lower than in prior years. Revenue from the various concession agreements the city has with Ruby’s, Dukes, Meadowlark Golf Club, Zacks, Jacks, and other retail establishments on city-owned property will be down slightly also when compared to FY 2009/10.

Many of the agreements the City has with these establishments base a portion of monthly rent on a percentage of gross receipts formula. As the recession has affected all aspects of the economy, less revenue is expected from Ruby’s, Duke’s, and other similar retail establishments as discretionary income activities make a slow recovery.

There is one bright spot in this revenue category. With recent updates to the City’s parking charges, along with increased usage of credit card meters and machines, overall parking revenue is projected to grow 2.2 percent in FY 2010/11 when compared to FY 2009/10 projections.

Revenue from Other Agencies: \$4,383,000 – A major source of revenue in this category is the Motor Vehicle License Fee (VLF,) which will provide an estimated \$600,000 in FY 2010/11. Also in this revenue category is the real property transfer tax, which is split 50-50 between the County of Orange and the City of Huntington Beach. This category of revenue is making a comeback as more Huntington Beach properties are sold and the residential housing market begins a slow recovery from the recent housing downturn.

Charges for Current Services: \$23,014,500 – Huntington Beach receives revenue from various “fee for service” activities representing 12.9 percent of General Fund revenue: plan check reviews by Public Works and Planning and Building, fees for recreational classes and programs, FireMed membership and billing service reimbursement, and other activities. The largest source of revenue in this category is from FireMed program insurance billings and memberships. This source of revenue accounts for approximately \$6.98 million. Recreational program fees and the Junior Lifeguard program account for just over four million dollars in revenue. In an effort to decrease costs and increase efficiency, the Fire Department replaced sworn inspectors with civilian fire inspectors with great success. Revenue from fire related inspections conducted by the non-sworn staff is projected to bring in more than \$500,000 in FY 2010/11.

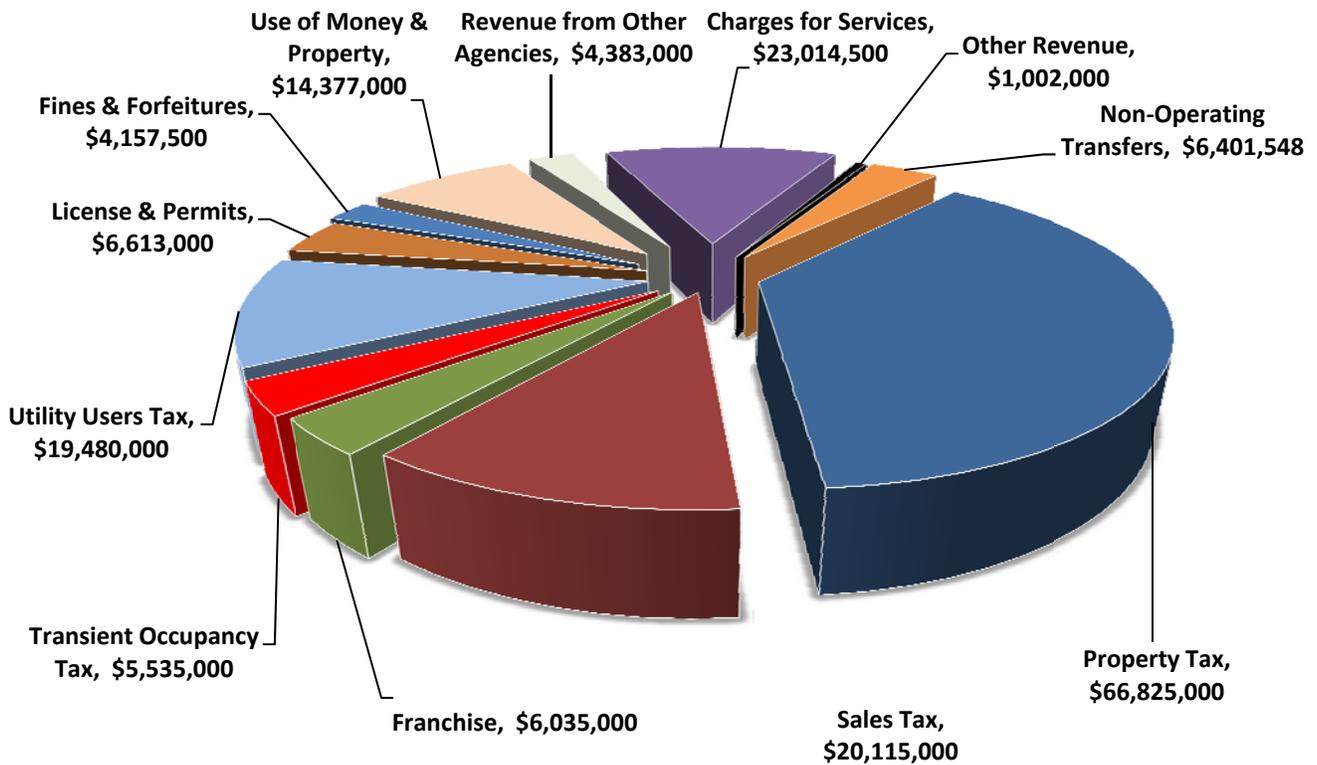

City of Huntington Beach Revenue Descriptions and Assumptions Adopted Budget – FY 2010/11

Other Revenue: \$1,002,000 – This category of revenue records fees from the City Clerk’s passport processing facility (\$110,000,) sales of surplus city equipment (\$60,000,) restitution and settlement payments (\$175,000,) as well as other miscellaneous and reimbursement revenue such as reimbursement for property damage.

Non-Operating Revenue: \$6,401,548 – Non-Operating revenue includes repayment of debt from the Redevelopment Agency to the General Fund (\$4,913,800 for FY 2010/11.) There is also the repayment of a General Fund loan to the Park Acquisition and Development (PA&D) Fund of \$294,000 annually.

GENERAL FUND REVENUE GRAPH

City of Huntington Beach Revenue Descriptions and Assumptions Adopted Budget – FY 2010/11

NON-GENERAL FUND REVENUE

Enterprise Funds: \$60,385,052 – The city has four major enterprise funds: Refuse, Sewer Service, Water, and Water Master Plan. Projected to bring in \$37,579,552 in FY 2010/11, the Water Fund is the largest source of enterprise revenue to the City. Water utility operations are funded by charges to municipal users (residential and commercial) of city water. Rates are adjusted periodically according to State law to ensure the fiscal integrity of the Water Fund. The Refuse Fund (\$10,780,500) is also a large source of enterprise revenue. The City has a contract with Rainbow Disposal. Monthly refuse charges are deposited to and in turn, the cost of refuse services is paid out of, the Refuse Fund.

Special Revenue/Other/Capital Project Funds: \$9,011,000 – This category includes a large and varied portion of non-General Fund revenue sources. Due to the categorization of funds in the City's accounting system, this category includes Special Revenue Funds such as the Measure M, Gas Tax/Highway Users Tax, and Fourth of July Parade funds; the Capital Project Fund is used to account for In-Lieu Parking Downtown revenue; and Other Funds like the Special Events and Rehabilitation Loan funds.

The largest sources of revenue in the Special Revenue funds category are: Measure M (\$2,027,000,) the half-cent County of Orange sales tax earmarked for transportation programs; Traffic Congestion Relief (\$2,050,000), a fund that records the new State excise tax on fuel (which replaced Proposition 42/Traffic Congestion Relief funds:) and Gas Tax (\$3,212,000,) a separate fund for recording the state sales tax on fuel sales.

Gas Tax/Highway Users Tax revenue continues to be jeopardized by State raids. While the State has not taken this revenue, it has delayed the regularly monthly apportionment of it to municipalities in order to assuage their cash flow problems. Until this source of revenue is place off-limits to State raids, there will be difficulty in long-term planning of much needed transportation infrastructure projects. Hopefully, with the recent passage of Proposition 22, the State will be unable to threaten this and other important sources of capital project funding in the future.

The remainder of this category receives revenue from myriad sources: the Special Events Fund (\$206,000) records reimbursement, sponsorship and permit revenue from various events held in Surf City such as the U.S. Open of Surfing, Surf City Marathon, and related events; the Fourth of July Fund (\$403,000,) which receives donation and reimbursement revenue related to the city's annual Fourth of July celebration; and the In-Lieu Parking Downtown Fund (\$70,000,) which records revenue from development projects for payments in-lieu of constructing parking spaces.

Redevelopment Agency: \$24,540,000 – This category is comprised of Redevelopment Agency (RDA) project area and tax increment (i.e., debt service) funds for the two redevelopment areas in Huntington Beach: the Merged Project area and the Southeast Coastal Project area. The largest source of revenue in this category is tax increment (i.e., property tax) from the Merged Project Area (\$19,725,000.)

Also, there is the Merged Project Area Capital Fund (\$655,000) that is used to record rental income as well as revenue from Owner Participation Agreements (OPAs) and Disposition and Development Agreements (DDAs) for various projects, the largest being the Waterfront Hilton and Hyatt Resort properties.

The City also administers the legally required Low-Income Housing (Housing Set-Aside) Fund that receives twenty percent of the tax increment revenue from the redevelopment areas within Huntington Beach. For FY 2010/11, it is estimated that this fund will receive approximately \$4,085,000 in revenue from pooled cash interest and the transfer in of the twenty percent share of tax increment.

City of Huntington Beach Revenue Descriptions and Assumptions Adopted Budget – FY 2010/11

Public Financing Authority/Debt Service/Assessment Districts: \$11,190,200 – Huntington Beach has a Public Finance Authority (PFA), which was established in 1988, to issue debt for the financing of public improvements and other capital purchases. For FY 2010/11, the PFA will record approximately \$5,851,200 in non-operating revenue. This non-operating revenue is from the repayment of debt by the General Fund, Redevelopment Agency Merged Project Area, and other funds related to various improvement projects over the years. Therefore, the revenue is recorded as a transfer, or “non-operating revenue,” and is then used to pay debt service according to an amortization (debt) schedule.

The City also has several community facility districts (CFDs), which receive assessment revenue to pay off debt related to developments in specific areas of the city (e.g., Bella Terra). In addition, the Judgment Obligation bond fund receives non-operating transfers from the General Fund to pay bonds issued in 2004.

The City recently defeased bonds from 1997 and 2001, in essence “re-financing” older debt at more favorable interest rates and thus helping to save the General Fund money over the life of the bond issuance.

Trust and Agency Funds: \$7,756,085 – The two largest sources of revenue in this category are the Retirement Supplement and Retiree Insurance Medical Funds. Huntington Beach has a supplemental retirement and an Other Post Employment Benefits (OPEB) program. These two funds receive revenue (transfers) from bi-weekly payroll charges to pay the Annual Required Contribution (ARC) amount as determined by an actuarial report.

In addition, this category records revenue from Huntington Beach’s three Business Improvement Districts (BIDs): Downtown Merchants, Hotel-Motel, and Auto Dealers. Under California law, these BIDs are allowed to collect assessments from their members for the use of various improvements. The city acts as an intermediary for the BIDs and records these assessments in three distinct funds. The BIDs then submit annual operating budgets, which are reviewed and approved by the City Council.

The largest BID in terms of assessment revenue is the Hotel-Motel. The BID recently received approval to double their assessment from 1 percent to 2 percent. (This assessment is charged directly to hotel guests, and is in addition to the City’s 10 percent transient occupancy tax rate.) For FY 2010/11, the Hotel-Motel BID is expected to record a total of \$1,095,000 in TOT assessment and pooled cash interest revenue. The Auto Dealers BID projects \$172,000 in assessment and loan repayment revenue and the Downtown Merchants BID is projecting \$110,000 in assessment revenue.

Separate Legal Governing Board: \$460,500 – Huntington Beach has a Joint Powers Agreement (JPA) with local Fire Departments to use the City’s training facility on Gothard Street. Through reimbursement agreements with the various Fire Departments, this JPA is expected to record \$389,000 in revenue in FY 2010/11. Huntington Beach also administers the West Orange County Water Board (WOCWB) and joint powers revenue related to its operations are recorded here: \$71,500 projected for FY 2010/11.

Grants: \$2,492,171 – The single largest source of grant revenue for Huntington Beach is the Community Development Block Grant (CDBG) program, administered by the Federal Department of Housing and Urban Development (HUD.) The allocation to Huntington Beach for FY 2010/11 is \$1,481,428. Each year, after receiving notice of the CDBG award, the Economic Development Department works closely with local non-profit agencies to establish programs funded by CDBG grant monies. These sub-grantees have their program of service reviewed and ultimately approved by the City Council.

There are also other grants received by Police, Fire, Public Works, Library, and Community Services which are recorded in this revenue category. The City’s financial policies dictate that grant revenue is budgeted at the time of City Council approval of the grant award. Therefore, the adopted budget for FY 2010/11 for all grants does not reflect the full complement of grants awarded throughout the fiscal year.

City of Huntington Beach Expenditure Descriptions and Assumptions Adopted Budget – FY 2010/11

GENERAL FUND

Personal Services – Total Appropriations of \$130.6 million: The FY 2010/11 adopted budget included a citywide restructuring which removed 136 vacant positions from the Table of Organization. In preparing and balancing the budget, the City analyzed historical attrition rates on a department-by-department basis. In addition, reductions in overtime and temporary salaries are included in most department's budgets due to the prolonged recession and diminished revenues.

Operating Expenses – Total Appropriations of \$41.9 million: Department operating expenses are heavily scrutinized during the development of the annual budgets. At budget review time, year to date expenditures are analyzed and adjustments are made to all department's preliminary budget requests to better align appropriations with actual needs. Included in the operating category are all general operating expenses as well as professional and contract services. Departments were required to significantly reduce operating expenditures in order to balance the budget, often resulting in a decrease in services.

Capital Expenditures – Total Appropriations of \$2.0 million: The budget for capital expenditures for FY 2010/11 remains at a considerably lower level than previous years due to the continued recession. The \$2 million appropriated will be approved on an as-needed basis by the City Administrator to cover emergency equipment needs as they arise.

Non-Operating Expenditures – Total (net) Appropriations of \$3.4 million: This category contains transfers to other funds related to debt service, and minor transfers to other funds for operating purposes. In addition, a "payroll offset" is budgeted as a credit to account for workers' compensation program expenses, which are budgeted both in personal services for the revenue portion, and the Safety Program in the Human Resources Department where the actual expenses are paid. The payroll offset account removes the "double counting" of the workers' compensation expenses at the General Fund summary level. This account is adjusted after each payroll to approximate the year to date expenses in the Workers' Compensation Program. For FY 2010/11, \$3.4 million is budgeted for offsetting payroll expenses.

OTHER FUND MAJOR EXPENDITURE GROUPINGS

Water Enterprise – \$45,076,404: Water user rates fund the Water Fund operations and the portion of the water capital improvement program. In addition to operations and maintenance, capital project funds are used for major maintenance and rehabilitation of water facilities such as wells, reservoirs, and water distribution lines.

Transportation/Street Projects – \$9,025,823: Including Federal and State grants, the revenues for these funds are projected to be unstable for the next few years as the State continues to threaten to take away gas tax funds to balance their own budget. In addition to grants, Gas Tax, Measure M, Air Quality, and Traffic Impact funds are included here.

Redevelopment and Housing Fund – \$23,195,463: All Redevelopment and Housing costs are budgeted in this group with the exceptions of Community Development Block Grant (CDBG) and HOME programs, which are included under Grants. Revenue is received primarily from the incremental increased property tax revenue compared to the date the project areas were established. Twenty percent of the tax increment is set aside for local housing needs. In FY 2010/11, the State will take approximately \$1.1 million from the Redevelopment Agency to address its own fiscal challenges. This take-away has been accounted for in this budget.

Other Grants and Funds – \$6,734,493: Wide year-to-year fluctuations are due to unpredictable federal and state grants. Also within this grouping are several, minor funds related to city activities, special projects, and fiduciary and trust funds.

Other Enterprise Funds – \$286,272: This grouping includes the Certified Unified Program Agency (CUPA,) which supports hazardous waste inspections.

City of Huntington Beach Expenditure Descriptions and Assumptions Adopted Budget – FY 2010/11

OTHER FUND MAJOR EXPENDITURE GROUPINGS – Continued

Debt Service – \$10,582,328: General Fund revenues are the main source for interfund transfers to pay the City's annual debt service cost. Community Facilities Districts (CFD,) and the Redevelopment Agency are sources of funding for these expenses.

Refuse Fund – \$10,860,597: Funding is provided for citywide residential curbside and commercial refuse collection and disposal. The City contracts with a local service provider.

Sewer Service Fund – \$9,663,769: The Sewer Service Fund was established for the maintenance, rehabilitation, and replacement of sewer facilities. Revenue is derived from direct charges to residents and businesses with connections to the City's sewer lines. Capital projects include rebuilding of sewer lift stations and lining or replacement of sewer lines, as designated in the 2003 Sewer Master Plan. Facilities are evaluated regularly to determine priorities to repair or replace sewer lines and lift stations. The capital project program includes design, engineering, and all aspects of construction management.

Internal Service Funds – \$4,033,800: These funds are utilized to account for retirement medical and supplemental retirement costs, which are provided directly by the City.

Capital Projects – \$2,764,147: Included in this category are one-time revenues from developers to fund capital projects. Also included are development-related impact fees for sewer, drainage, and park purposes. These revenues will be relatively low for the next few years due to declines in development.

Water Master Plan – \$974,433: The Water Master Plan (WMP,) adopted in 1990 and updated in 2000 and 2005, recommends new facilities that provide the City with adequate water production and storage capabilities. Several projects included in the 2000 WMP are complete, including three storage reservoirs, three new water wells, and various pipeline improvements. Over the next five years, the WMP will focus on the completion of the Southeast Reservoir, corrosion control, security improvements, and transmission main improvements.

Operating Costs associated with Capital Improvements: While other departments will do so from time to time, the Public Works Department is mainly responsible for budgeting new operational and maintenance costs when capital improvements are completed. Public Works prepares a "Maintenance Impact Statement," which accompanies all construction contract awards presented to the City Council for approval. This is prepared for all new and expanded city facilities. When allowable, other funds will pay for the maintenance. For example, the Water Utility will pay for system improvements and expansions and budget for the new or increased maintenance. In other cases, some of the various street related funds will cover additional maintenance.

The establishment of the Sewer Service Fund in recent years has allowed the City to replace much of the old downtown sewer system, and begin work on additional areas. Sewer maintenance is also provided by this fund.

City of Huntington Beach Glossary of Terms Adopted Budget – FY 2010/11

ACH – (see Automated Clearing House.)

Accounting Method – The City of Huntington Beach accounts for its financial position and operations according to generally accepted accounting principles (GAAP) for governmental units prescribed by the Government Accounting Standards Board (GASB). A fund or account group is an accounting entity with a self-balancing set of accounts recording the financial position and results of operations of a specific governmental activity. The City prepares financial statements on the modified accrual basis for all governmental fund types except for the financial statements of the proprietary fund types, which are prepared on the accrual basis.

Accrual Basis – The basis of accounting under which transactions are recognized when they occur regardless of the timing of related cash flows.

ADA – (see Americans with Disabilities Act.)

Adopted Budget – The City Council approved annual budget establishing the legal authority for the expenditure of funds set forth in the adopting City Council budget resolution.

Americans with Disabilities Act (ADA) – This Federal law requires that public facilities be accessible to individual with physical limitations.

Appropriation – A legal authorization granted by a legislative body to make expenditures and to incur obligation for specific purposes.

Appropriation Account – A budgetary account set up to record specific authorizations to spend. The account is credited with original and any supplemental appropriations and is charged with expenditures and encumbrances.

Appropriation Limit – As a governmental entity in the State of California, the City is subject to the Gann Spending Limit Initiative, which limits the amount of annual appropriations of tax proceeds.

Assessed Valuation – A dollar value placed on real estate or other property by the County of Orange as a basis for levying property taxes.

Audit – Prepared by an independent certified public accountant (CPA) to form an opinion regarding the legitimacy of transactions and internal controls. An audit is an examination and evaluation of the City's records and procedures to ensure compliance with specified rules, regulations, and best practices.

Automated Clearing House – is an electronic network for financial transactions in the United States.

BID – (see Business Improvement District.)

City of Huntington Beach Glossary of Terms Adopted Budget – FY 2010/11

Bond – A written promise issued by the City to pay a specific sum of principal amount, at a specified date(s) in the future, together with periodic interest at a special rate to raise capital, usually to pay for the construction of long-term infrastructure projects. Two major types of bonds include General Obligation Bonds and Revenue Bonds.

Bond Proceeds – Funds received from the sale or issuance of bonds.

Budget – A Plan of financial operation embodying a summary and detail of authorized expenditures for a given period and the proposed means of financing them.

Business Improvement District (BID) – Is a financing mechanism that is used to provide revenue for a variety of local improvements and services that enhance, not replace, existing municipal services. In California, there are several types of BIDs, including property based, business based, and tourism based.

Business Unit – An eight digit accounting reference comprised of the fund, department, and program. Expenditures and revenues are budgeted within business units.

CAFR – (see Comprehensive Annual Financial Report.)

California Public Employees' Retirement System (CalPERS) – Statewide retirement system that covers most City of Huntington Beach employees.

CalPERS – (see California Public Employees' Retirement System.)

Capital Assets – Assets of long-term character that are intended to continue to be held or used for a period of more than one year, such as land, buildings, machinery, furniture, and other equipment.

Capital Improvement Program (CIP) – A long-range plan for the development and replacement of long-term assets such as streets, buildings, water and sewer systems.

Capital Outlay – Expenditures, which result in the acquisition of assets with an initial cost of at least \$10,000 and an expected life of at least two years.

Capital Project Funds – Used to account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary fund types).

CDGB – (see Community Development Block Grant.)

Certified Public Accountant (CPA) – An accountant who has passed certain examinations and met all other statutory and licensing requirements of a United States state to be certified by that state.

CFD – (see Community Facilities District.)

City of Huntington Beach Glossary of Terms Adopted Budget – FY 2010/11

Charges for Services – Reimbursement for services rendered to the public or to some other program/fund in the City.

CIP – (see Capital Improvement Program.)

City Charter – The legal authority granted by the State of California establishing the entity known as the City of Huntington Beach and giving it the ability to provide services and collect revenue to support those services.

Combined Transportation Funding Program (CTFP) – The Orange County Transportation Authority (OCTA) created the CTFP to provide local agencies with a common set of guidelines and project selection criteria for a variety of funding programs.

Community Development Block Grant (CDBG) – The Housing and Community Development Act of 1974 provides funds to cities and counties to develop urban communities, decent housing, a suitable living environments, and expanded economic opportunities principally for low and moderate-income persons. This federal program gives priority to activities, which benefit low and moderate-income individuals.

Community Facilities District (CFD) – A special district that can issue tax-exempt bonds as a mechanism by which public entities finance construction and/or acquisition of facilities and provide public services to the district.

Comprehensive Annual Financial Report (CAFR) – The official annual report of the City's financial condition, which encompasses all funds, at the conclusion of the fiscal year.

Consumer Price Index (CPI) – A statistical description of price levels provided by the United States Department of Labor. The change in this index from year to year is used to measure the cost of living and economic inflation.

Cost Allocation – A method used to charge General Fund overhead costs to other funds.

CPI – (see Consumer Price Index.)

CTFP – (see Combined Transportation Funding Program.)

Debt Service – The repayment of principal and/or interest on borrowed funds.

Debt Service Funds – Governmental fund type used to account for the accumulation of resources for, and the payment of general long-term debt principal and interest.

Debt Service Requirement – The amount required to pay interest on outstanding debt, serial maturities of principal for serial bonds, and required contributions to accumulate monies for future retirement of term bonds.

City of Huntington Beach Glossary of Terms Adopted Budget – FY 2010/11

Deficit – The excess of liabilities of a fund over its assets.

Department – The basic organizational entity of government that is functionally unique in its delivery of services.

Depreciation – Expiration the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy, or obsolescence.

Developer Fees – Adopted fees requiring new development or redevelopment to pay its proportional share of the costs associated with providing the necessary public infrastructure.

Encumbrances – Commitments related to unperformed contracts for goods and services.

Enterprise Funds – A fund established to account for operations that are financed and operated in a manner similar to private enterprise. Examples of enterprise funds are water and sewer services.

Equipment Replacement – Appropriations budgeted for the purchase of rolling stock and movable assets.

Expenditure – The actual spending of funds set aside by appropriation for identified goods and services.

Expense – The payment of cash on the transfer of property or services for the purpose of acquiring an asset, service, or settling a loss.

Fair Share Traffic Impact Fee Program (TIF) – A program intended to implement the goals and objectives of the General Plan by providing revenue to ensure that the adopted Level of Service standards for arterial roadways and signalized intersections are maintained when new development is constructed within the City limits.

Fee – A general term used for any charge levied by government for providing as service or permitting an activity.

Fiscal Year (FY) – The twelve-month period to which the annual operating budget applies and at the end of which a government determines its financial position. The City of Huntington Beach's fiscal year is October 1 to September 30.

Fixed Assets – Purchases of physical inventory items that are intended to be held or used for long term, such as equipment or infrastructure.

FTE – (see Full-Time Equivalent Position.)

Full-Time Equivalent Position (FTE) – Staffing collectively based on a 2,080-hour year.

City of Huntington Beach Glossary of Terms Adopted Budget – FY 2010/11

Fund – A fiscal and accounting entity with a self-balancing set of accounts, recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein which are segregated for the purpose of carrying on specific activities of government functions.

Fund Balance – The excess of the assets of a fund over its liabilities, reserves, and carryovers.

FY – (see Fiscal Year.)

GAAP – (see Generally Accepted Accounting Principles.)

GASB – (see Governmental Accounting Standards Board.)

General Fund – The fund used to account for all financial resources except those identified for special purposes. The operating fund of the City that receives unrestricted revenue such as property and sales taxes. The fund used to provide a wide range of public services.

Generally Accepted Accounting Principles (GAAP) – Uniform minimum standards for financial accounting and recording.

Governmental Accounting Standards Board (GASB) – Develops standardized reporting for government entities.

Grants – Contributions, gifts, or assets from another government entity to be used or expended for a specified purpose, activity, or facility.

HUD – U. S. Department of Housing and Urban Development. HUD's mission is to create strong, sustainable, inclusive communities, and quality affordable homes for all. HUD is working to strengthen the housing market to bolster the economy and protect consumers; meet the need for quality affordable rental homes: utilize housing as a platform for improving quality of life; build inclusive and sustainable communities free from discrimination; and transform the way HUD does business.

Indirect Costs – A cost necessary for the functioning of the organization as a whole, but which cannot be directly assigned to one service.

Infrastructure – Facilities that support the daily life and growth of the City, for example roads, water lines, sewers, public buildings, and parks.

Interfund Transfers – Monies transferred from one fund to another. Such money is transferred to finance the operations of another fund or to reimburse the fund for certain expenditures/expenses.

City of Huntington Beach Glossary of Terms Adopted Budget – FY 2010/11

Internal Service Fund – A fund used for the financing of goods or services provided by one department or agency to other departments or agencies on a cost-reimbursement basis.

Joint Powers Authority (JPA) – A JPA is formed when it is to the advantage of two or more public entities with common powers to consolidate their forces to acquire or construct a joint-use facility.

JPA – (see Joint Powers Authority.)

Long-Term Debt – Debt with a maturity of more than one year after the date of issue.

Long Term Financial Plan – A combination of financial forecasting and strategizing to identify future challenges and opportunities, causes of fiscal imbalances and strategies to secure financial sustainability.

Mandate – Legislation passed by the state or federal government requiring action or provision of services or programs.

Measure M – An initiative passed by Orange County voters to fund transportation improvements using revenue generated by a countywide sales tax.

Memoranda of Understanding (MOU) – As used in this budget document refers to agreements, for a specified period of time, between the City and various employee associations, outlining wage increases, provision of and contribution levels for benefits, and employment-related matters.

Motor Vehicle In-Lieu Tax – (see Vehicle License Fee.)

MOU – (see Memoranda of Understanding.)

Municipal Bond – A bond issued by a state or local government.

Municipal Code – A compilation of enforceable ordinances adopted by the City Council.

National Pollution Discharge Elimination System (NPDES) – This Federal regulation sets standards for the quality of storm water discharged into rivers, lakes, and oceans.

Non-Departmental – Program costs that do not relate to any one particular department, but represent costs that are general and citywide in nature.

NPDES – (see National Pollution Discharge Elimination System).

Object Code – A five digit accounting reference to a specific revenue or expense item. Combines with the business unit to create a revenue or expenditure account number.

OCTA – (see Orange County Transportation Authority.)

City of Huntington Beach Glossary of Terms Adopted Budget – FY 2010/11

Operating Budget – Plan of current non-capital expenditures and the proposed means of financing them.

Operating Expenses – The cost for materials and equipment that are required for a department to perform its functions.

Operating Revenue – Funds received as income to pay for ongoing operations.

Operating Transfers – Legally authorized transfers from a fund receiving revenue to the fund through which the resources are to be expended, such as transfers from the General Fund to a Special Revenue or Capital Projects Fund.

Orange County Transportation Authority (OCTA) – A public sector transportation planning body and transit service provider for Orange County, California.

Ordinance – A formal legislative enactment by the City Council. If it is not in conflict with any higher form of law, such as state statute or constitutional provision, it has the full force and effect of the law within the boundaries of the City.

Organization Chart – A pictorial representation of the administrative and functional structure of a City unit.

Other Funds – Within this budget document, those funds that are not included as part of the General Fund.

Pension Tax Rate – City Charter amendment allowing the City Council to set a tax rate and levy an override tax on the assessed value of property up to a maximum amount as determined by an annual actuarial study to recover a portion of the City's costs related to a supplemental retirement program.

Performance Measures – A set of measurable objectives, linked to the City's various strategic plan goals, which are determined by a department and used to gauge a program, business unit, or division's effectiveness and efficiency. Used as a management tool during the budget development process to set priorities and shift resources as necessary.

Personal Services – Expenditures for salaries and benefits for employees of the City.

Program Budget – A budget wherein expenditures are based primarily on program of work and the performance of certain functions.

RDA – (see Redevelopment Agency.)

Redevelopment Agency (RDA) - An Entity formed to renovate older areas of the City to increase economic vitality.

City of Huntington Beach Glossary of Terms Adopted Budget – FY 2010/11

Reserve – The City uses and designates reserves according to adopted financial policies. In addition to the required seven percent reserve, there is the: Equipment Reserve, used to replace obsolete vehicles and equipment while setting aside funds for future equipment and vehicle needs; Capital Improvement Reserve (CIR), a designated reserve for various capital projects; and the General Liability Reserve which is designated for workers compensation and liability claims.

Resolution – A special order of the City Council, which has a lower legal standing than an ordinance.

Revenue – Sources of income financing the operation of government.

SCAQMD – (see Southern California Air quality Management District.)

Southern California Air Quality Management District (SCAQMD) – The air pollution control agency for all of Orange County and the urban portions of Los Angeles, Riverside, and San Bernardino counties in California.

Special Revenue Funds – Funds that are separately administered because the City Council, the State of California, or the Federal government has placed restrictions on how revenues may be spent.

Strategic Plan – The process of defining a strategy, or direction, and making decisions on allocating resources to pursue this strategy, including capital and employees. The City adopted its strategic plan in January 2009, setting five broad goal areas, each with its own set of related projects: Maintain and enhance our financial reserves, Maintain, improve and obtain funding for public improvements, Maintain and enhance public safety, Enhance economic development, and Improve internal and external communication.

TAB – (see Tax Allocation Bond.)

Tax Allocation Bond (TAB) – Bonds issued in conjunction with a redevelopment project. The taxes pledged to their repayment come from the increase of assessed value over and above a pre-established base. The redevelopment creates this added value, known as the tax increment.

Tax Increment – Property tax that is collected as a result of increased valuation within the Redevelopment Area (RDA.)

Tax Rate – The amount of assessment stated in terms of a unit of the tax base.

Taxes – Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments.

City of Huntington Beach Glossary of Terms Adopted Budget – FY 2010/11

TIF – (see Fair Share Traffic Impact Fee Program.)

TOT – (see Transient Occupancy Tax.)

Transfers – Amounts moved from one fund to another to assist in financing the services for the recipient fund.

Transient Occupancy Tax (TOT) – A tax imposed on individuals with hotel/ motel stays less than thirty days. The rate in the City of Huntington Beach is ten percent.

Unencumbered Balance – The portion of an appropriation that is neither expended nor encumbered. The amount of budget still available for future purposes.

Unfunded Liabilities – The unfunded liability, the present value of the expected future benefits vested to date, is the amount by which the plan's liabilities exceed the assets on a given date.

U. S. Department of Housing and Urban Development – (see HUD.)

User Fees and Charges – A cost paid for a public service or the use of a public facility by the entity benefiting from the service.

Utility Users Tax (UUT) – A tax imposed on users for various utilities in the City including water, telephone, gas, electric, and cable television services.

UUT – (see Utility Users Tax.)

Vehicle License Fee (VLF) – Is a tax on the ownership of a registered vehicle in place of taxing vehicles as personal property, also called the motor vehicle in-lieu tax. The VLF is paid annually upon vehicle registration in addition to other fees, such as the vehicle registration fee, air quality fees, and commercial vehicle weight fees all of which fund specific state programs. The VLF funds city and county services.

VLF – (see Vehicle License Fee.)

Water Master Plan (WMP) – The WMP was adopted by the City in 1990, and updated in 2000 and 2005. This plan recommends new facilities to provide the City with adequate water production and storage capabilities.

WMP – (see Water Master Plan.)

City of Huntington Beach Financial Policies Adopted Budget – FY 2010/11

FINANCIAL REPORTING AND ACCOUNTING STANDARDS

- ❑ The City's accounting system will be maintained in accordance with generally accepted accounting practices and the standards of the Government Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).
- ❑ The annual financial report will be prepared within six months of the close of the previous fiscal year. The City will use generally accepted accounting principles in preparing the annual financial statements and will attempt to qualify for the Government Finance Officers Association's Excellence in Financial Reporting Program.
- ❑ The City will strive for an unqualified audit opinion. An unqualified opinion is rendered without reservation by the independent auditor that financial statements are fairly presented.
- ❑ The City will contract for an annual audit by a qualified independent certified public accounting firm. The independent audit firm will be selected through a competitive process at least once every five years. The contract period will be for an initial period of three years, with two one-year options.

BUDGETING

- ❑ The budget will be prepared consistent with the standards developed by the Government Finance Officers Association and California Society of Municipal Finance Officers (CSMFO). In addition, a summary version will be provided to the public in a user-friendly format.
- ❑ The City will maintain a balanced operating budget for all funds with estimated revenues being equal to, or greater than, estimated expenditures, and with periodic City Council reviews and necessary adjustments to maintain balance.
- ❑ On-going revenues will support on-going expenditures. Revenues from one-time or limited duration sources will not be used to balance the annual operating budget.
- ❑ Support function appropriations will be placed in the department in which they are managed.

GENERAL FUND BALANCE

- ❑ There is established an Economic Uncertainties Reserve commitment in the General Fund. The monetary goal of this commitment is equal to the value of two months of the General Fund expenditure adopted budget amount.
- ❑ Appropriations from the Economic Uncertainties Reserve commitment can only be made by formal City Council action. Generally, appropriations and access to these funds will be reserved for emergency situations. Examples of such emergencies include, but are not limited to:
 - An unplanned, major event such as a catastrophic disaster requiring expenditures over 5% of the General Fund adopted budget
 - Budgeted revenue taken by another government entity
 - Drop in projected/actual revenue of more than 5% of the General Fund adopted revenue budget
- ❑ Should the Economic Uncertainties Reserve commitment be used, and its level falls below the minimum amount of two months of General Fund expenditures adopted budget, the goal is to replenish the fund within three fiscal years.

City of Huntington Beach Financial Policies Adopted Budget – FY 2010/11

- In addition to the Economic Uncertainties Reserve, there are three permanent reserves established for the purpose of smoothing annual operating budgets: providing flexibility and the ability to take advantage of favorable financial/business conditions, and; providing a source to fund unforeseen expenditures. Appropriations from these reserves can only be made by formal City Council action. These permanent reserves are:
 - Equipment Replacement Reserve for the acquisition of rolling stock, other movable assets, pumps, engines, and any equipment needed to sustain city infrastructure. Planned appropriations from this fund are identified during the annual budget process. The replenishment of this Reserve is outlined below.
 - Capital Projects Reserve for the construction of city infrastructure. Planned appropriations from this fund are identified during the annual budget process in concert with the Capital Improvement Plan. The replenishment of this Reserve is outlined below.
 - Litigation Reserve for unforeseen litigation losses exceeding the amount budgeted in the current year. The monetary goal for this Reserve is generally set at the city's self insured limit. This fund will be replenished each year through the annual budget process.
- Allocation of the audited General Fund unassigned fund balance (or increases in the Economic Uncertainties Reserve) will be done as follows if, and until, the Economic Uncertainties Reserve commitment is fully funded (i.e., two months of General Fund expenditures):
 - 50% to Economic Uncertainties Reserve commitment
 - 25% for Infrastructure Fund
 - 25% to Capital Improvement Reserve (CIR) commitment
- Once the Economic Uncertainties Reserve commitment attains full funding, unassigned fund balance will be divided as follows:
 - 50% for Infrastructure Fund
 - 25% to Capital Improvement Reserve (CIR) commitment
 - 25% to Equipment Replacement commitment
- Any unassigned revenues received during the fiscal year will be added to the fund balance of the General Fund.

FUND BALANCE CLASSIFICATION

- The City's fund balance is made up of the following components:
 - Nonspendable fund balance typically includes inventories, prepaid items, and other items that, by definition cannot be appropriated.
 - The restricted fund balance category includes amounts that can be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation.

City of Huntington Beach Financial Policies Adopted Budget – FY 2010/11

- The committed fund balance classification includes amounts that can be used only for the specific purposes determined by a formal action of the City Council. The City Council has authority to establish, modify, or rescind a fund balance commitment.
 - Amounts in the assigned fund balance classification are intended to be used by the City for specific purposes but do not meet the criteria to be classified as restricted or committed. The City Administrator or designee has the authority to establish, modify, or rescind a fund balance assignment.
 - Unassigned fund balance is the residual classification for the City's funds and includes all spendable amounts not contained in the other classifications.
- ❑ The City considers restricted or unrestricted amounts to have been spent when an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available.
 - ❑ The City's committed, assigned, or unassigned amounts are considered to have been spent when an expenditure is incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

APPROPRIATION AUTHORITY

- ❑ The City Council is the appropriation authority for the City Budget. As required by state law, appropriations expire at the end of each fiscal year.

NON-DEPARTMENTAL BUDGET

- ❑ The City shall maintain a non-departmental budget that is used for expenditures that do not apply to a specific department, are Citywide in nature, or shared by several departments. The Director of Finance and City Administrator shall be responsible for administration of this budget.

OPERATION OF THE CAPITAL IMPROVEMENT RESERVE (CIR) COMMITMENT

- ❑ The Capital Improvement Reserve (CIR) will only be used to budget for, and construct, capital improvement projects identified in the City's five-year Capital Improvement Plan (CIP).
- ❑ Savings from completed capital improvement projects will be retained for use on other infrastructure projects.

ENTERPRISE FUNDS

- ❑ An Enterprise Fund is a type of proprietary fund used to report an activity for which a fee is charged to external users for goods or services. The City will set users fees for each enterprise fund at a rate that fully recovers the direct and indirect costs of providing service.
- ❑ The City will adjust user fees as necessary to ensure that enterprise funds do not collect revenues at a rate in excess of the fund's operating, capital, and reserve requirements.
- ❑ Enterprise funds will be supported by their own rates and not subsidized by the General Fund.
- ❑ Enterprise funds will pay their share of overhead services provided by the General Fund.

City of Huntington Beach Financial Policies Adopted Budget – FY 2010/11

SPECIAL REVENUE FUNDS

- ❑ A Special Revenue Fund is used to account for the proceeds of specific revenue sources that are restricted to expenditure for specified purposes.
- ❑ The City Council will establish which revenues require placement into a special revenue fund.
- ❑ The City Council will establish which expenditures will be expensed to each special revenue fund.

DEBT ISSUANCE & MANAGEMENT

- ❑ The City will not use long-term debt to pay for current operations.
- ❑ The City will strive to construct capital and infrastructure improvements without incurring debt. Debt financing will be considered for capital and infrastructure improvements when one or more of the following circumstances exist:
 - When the term of the debt does not extend beyond the useful life of the improvements
 - When project revenues or specific resources will be sufficient to service the long-term debt
 - When the cost of debt is less than the impact of the cost caused by delaying the project

CHARGES & USER FEES

- ❑ “User Fees” are fees for services that are exclusively provided by the City and cannot legally exceed the cost of the service provided nor the statutory limit (if lower). User Fees will be reviewed and/or revised periodically by the City Council. User Fees that do not recover all direct and indirect costs of service will be clearly identified and must be approved by the City Council.
- ❑ “Charges” are fees that have no statutory limit and typically are set at “market rates” since the public can choose to obtain these services from other sources. Charges will be reviewed and/or revised periodically by the City Council. Charges that do not recover all direct and indirect costs of service will be clearly identified and must be approved by the City Council.
- ❑ The City Council will be presented annually with a list of all User Fees and Charges indicating when they were last changed.
- ❑ Fees for infrastructure improvements required by new development will be reviewed annually to ensure that the fees recover development related expenditures.

CAPITAL MANAGEMENT

- ❑ The City will prepare a five-year Capital Improvement Plan (CIP). The plan will be developed biannually and updated annually. The Capital Improvement Plan will include current operating maintenance expenditures, funding to support repair and rehabilitation of deteriorating infrastructure, and the construction of new infrastructure projects.
- ❑ Prior to planning the construction of new infrastructure, the improvement’s future operating, maintenance, and replacement costs will be forecast and matched to available revenue sources in the operating budget.

City of Huntington Beach Financial Policies Adopted Budget – FY 2010/11

BASIS OF BUDGETING

- ❑ Governmental, agency and expendable trust fund types, and pension trust funds use a modified accrual basis of accounting. These funds recognize revenue when it is susceptible to accrual. It must be measurable and available to finance current period expenditures. Examples include property taxes, sale tax, governmental grants and subventions, interest and charges for current service. Revenues not susceptible to accrual include certain licenses, permits, fines and forfeitures, and miscellaneous revenue. The City of Huntington Beach recognizes expenditures when it incurs a measurable liability, with the exception of interest on long-term debt, which is recognized when it is due.
- ❑ The City accounts for proprietary fund types and pension trust funds on the accrual basis, similar to private businesses, recognizing revenue when earned, regardless of the date of receipt, and recognizing expenses when they are incurred. The City selected under GASB Statement 20, to apply all GASB pronouncements as well as an official statement of opinions of the Financial Accounting Board.
- ❑ The budget includes estimates for revenue that, along with the appropriations, comprise the budgetary fund balance. The appropriated budget covers substantially all fund type expenditures. The City Council adopts governmental fund budgets consistent with generally accepted accounting principles as legally required. There are no significant unbudgeted financial activities. Revenues for special revenue funds are budgeted by entitlements, grants, and estimates of future development and growth. Expenditures and transfers are budgeted based upon available financial resources. The City uses an encumbrance system as an aid in controlling expenditures. When the City issues a purchase order for goods or services, it records an encumbrance until the vendor delivers the goods or performs the service. At year-end, the City reports all outstanding encumbrances as reservations of fund balance in governmental fund types. The City then re-appropriates these encumbrances into the new fiscal year.

FUND BALANCE DEFINITIONS AND PROJECTIONS

- ❑ The City is reporting estimated changes in fund balances for all funds with adopted budgets for the current fiscal year. The City has chosen to report certain major funds individually and the others combined within the annual audit. Major funds used in the City's Comprehensive Annual Financial Report (CAFR), plus selected other funds are described. Within the budget document, all funds operated by the City are individually presented.
- ❑ For governmental funds, the fund balances represent the estimated effort of the adopted budget on the unassigned fund balance that will be reported in the CAFR for prior fiscal year completed. This amount represents the amount available for appropriation by the City Council.
- ❑ For fiduciary and enterprise funds, the fund balances reported represent the net working capital (current assets minus current liabilities) shown in these funds. This amount closely parallels the unrestricted net assets shown on the CAFR.
- ❑ The estimated capitalized proprietary fund expenditures represent the estimated amount of expenditures that will be used for fixed assets. In enterprise funds, fixed assets are not recorded as expenditure in the year incurred, but are depreciated over their useful lives.

Expenditures can exceed revenues in a given year for several reasons. These include the use of accumulated fund balance for planned capital improvements, which are not completed in the previous year and re-budgeted in the new year. This has been the case in recent years where existing fund balances support ongoing capital projects.
