

Smart Sprinkler Timers:

Upgrade to a "smart" timer that uses info about your plants, soil, and weather conditions to automatically adjust your watering schedule for you.

\$ Rebate level: \$380 per device for properties < 1 acre, or \$35 per station for properties > 1 acre

Or... Sprinkler Adjustment Reminders:

Sign up for free sprinkler adjustment reminders that tell you when/how to use the percent adjust feature on your "dumb" sprinkler timer, ensuring appropriate watering year-round.

Hi OC!

"Did you know...these sprinkler system improvements protect the environment by preventing polluted water from running off your yard and out into the ocean!?"

**SIMPLE CHANGES,
BIG SAVINGS!**

Rebates are available to help you upgrade your home appliances and save water during the drought.

High Efficiency Clothes Washers: Upgrade your old washing machine to a high efficiency clothes washer that uses up to 55% less water while getting clothes just as clean.

\$ Rebate level: \$85 (or more) per clothes washer

High Efficiency Toilets: High efficiency toilets use just 1.28 gallons or less per flush, saving an average of 38 gallons of water per day while maintaining high performance standards.

\$ Rebate level: \$100 (or more) per toilet
