

# The Huntington Beach Fire Department Needs You!

---

## PROJECT SHIP Senior Home Inspection Program

Would you like to be a volunteer safety inspector assisting senior citizens in making their home a safer place to live?

The Fire Department will train you to educate senior residents on how to eliminate fire hazards, plan an emergency escape, prevent falls, maintain a working smoke detector and other emergency preparedness.

*Upcoming training classes to be held in early November!*

If you are interested in becoming a volunteer inspector, contact:  
Diane Swarts, Volunteer Services Coordinator  
714-374-1544  
DSwarts@surfcity-hb.org

This program is a coalition between the Huntington Beach Fire Department and Senior Services.
