## The Light Between Oceans: A Novel by M. L. Stedman

In the aftermath of WWI, a lighthouse keeper and his young wife live in isolation on an Australian offshore island when the arrival of a baby challenges their morals and tests their resolve once back on the mainland.

New York Times Bestseller, Australian Book Industry Award for Literary Fiction and Newcomer (2013), Goodreads Choice Award for Best Historical Fiction (2012)

“The miraculous arrival of a child in the life of a barren couple delivers profound love, but also the seeds of destruction. Moral dilemmas don’t come more exquisite than the one around which Australian novelist Stedman constructs her debut.” —*Kirkus starred review.*
