Huntington Beach Library*

• **We help adults learn to read better.**

Call (714) 375-5102

Adults must be able to speak English. Our learners say the literacy program helps them be better parents, improve their work skills, and have better lives.

• **We need tutors.**

If you can read and write English fluently, you can help another adult to read, write or speak English better. HBPL has tutor training workshops throughout the year. The 15-hour class teaches ProLiteracy methods for helping adults improve their skills. After successfully completing the class, you will be matched with an adult learner, working with them approximately two hours per week—mornings, afternoons, evenings or weekends. We ask for a one-year commitment to best serve the needs of our learners, and you must be 24 years of age to tutor another adult through our program.

Huntington Beach Library Adult Literacy Services has space in the library for tutor/learner pairs to meet, a collection of teaching materials, & a computer lab.

*People from all over the world help each other every day at the Huntington Beach Library. Join us!*
