Film Screening of
HANNARI
Geisha Modern
A Documentary Film

Hannari - Geisha Modern is a documentary film that captures the geisha for what they are truly meant to be — artists and entertainers who devote their lives to the traditional arts and a traditional way of life. For the very first time, the geisha are filmed in a manner that allows the audience to see, hear and to feel the true beauty of the geisha.

Narrated in English by **Maxwell Caulfield**, with interviews in Japanese with English subtitles.

"Finally! A Geisha documentary that truly penetrates the art and meaning of this traditional world."
- Liza Dalby, Anthropologist and author of "Geisha" (1983)

Screening followed by Q&A with the **HANNARI's** Director, Ms. Miyuki Sohara
