SUGGESTED FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Zoning Administrator finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15301 of the CEQA Guidelines, because the project involves no expansion in the overall floor area of an existing retail store.

SUGGESTED FINDINGS FOR APPROVAL – ENTITLEMENT PLAN AMENDMENT NO. 13-006:

1. Entitlement Plan Amendment No. 13-006 to amend Condition of Approval No. 2d of Conditional Use Permit No. 12-024 to allow a Department of Alcoholic Beverage Control (ABC) Type 42 License (On sale Beer & Wine – Public Premises) in conjunction with an existing Type 21 License (Off Sale General) and Type 86 License (Instructional Tasting) for an approximately 612 sq. ft. on-site beer and wine tasting area within an existing 12,215 sq. ft. liquor retail store will not be detrimental to the general welfare of persons working or residing in the vicinity or detrimental to the value of the property and improvements in the neighborhood. The proposed alcohol consumption is not anticipated to generate noise, traffic, parking or other impacts detrimental to surrounding properties and inconsistent with the subject property's commercial zoning. Residential uses to the east and south of the subject site are buffered from the existing building by 6 ft. high perimeter blockwall, a 26 ft. wide drive aisle along with two rows of parking to the south, and a 26 ft. wide drive aisle along with one row of parking to the east. The storefront and entrance are oriented toward Adams Avenue, away from nearby residences. The consumption of alcoholic beverages will be for sampling purposes and shall be contained within a delineated tasting area inside the liquor retail store.
2. The entitlement plan amendment will be compatible with surrounding uses because the onsite consumption of alcoholic beverages will be ancillary to an existing retail commercial use (liquor store) and will occur entirely within the interior of a commercial building.
3. The proposed Entitlement Plan Amendment No. 13-006 will comply with the provisions of the base district and other applicable provisions in Titles 20-25 of the Huntington Beach Zoning and Subdivision Ordinance. In addition, any specific condition required for the proposed use in the district in which it would be located. The liquor store conforms to applicable site development requirements including minimum setbacks, minimum landscaping, and minimum onsite parking. The onsite consumption of alcoholic beverages is permitted within the CG (Commercial General) zoning district with the approval of a conditional use permit.
4. The granting of the entitlement plan amendment will not adversely affect the General Plan. It is consistent with the Land Use Element designation of Commercial General (CG) on the subject property. In addition, it is consistent with the following objective and policies of the General Plan:

A. Land Use Element

Objective LU 10.1: Provide for the continuation of existing and the development of a diversity of retail and service commercial uses that are oriented to the needs of local residents, serve the surrounding region, serve visitors to the City, and capitalize on Huntington Beach's recreational resources.

Policy LU 10.1.8: Require that entertainment, drinking establishments, and other similar uses provide adequate physical and safety measures to prevent negative impacts on adjacent properties.

B. Economic Development Element

Policy ED 2.4.3: Encourage the expansion of the range of goods and services provided in Huntington Beach to accommodate the needs of all residents in Huntington Beach and the market area.

The proposed beer and wine tasting will be ancillary and incidental to an existing approved retail establishment. The proposed use will market its services to local residents and residents in the surrounding region, thereby expanding the service-based commercial opportunities in the City. Based upon the operational conditions imposed, the beer and wine tasting is not anticipated to result in negative impacts on adjacent properties.

SUGGESTED CONDITIONS OF APPROVAL - ENTITLEMENT PLAN AMENDMENT NO. 13-006:

1. The use shall comply with the following:
 - a. All conditions approved by Conditional Use Permit No. 12-024 shall remain in effect with the exception of Condition of Approval No. 2d.

The onsite service and consumption of alcoholic beverages shall be limited to the conditions contained in the Alcoholic Beverage Control Board (ABC) Department of Alcoholic Beverage Control (ABC) Type 42 License (On sale Beer & Wine – Public Premises) in conjunction with an existing Type 21 License (Off Sale General) and Type 86 License (Instructional Tasting). **(PD)**
 - c. Prior to the service of alcoholic beverages, a copy of the ABC licenses, along with any special conditions imposed by the ABC, shall be submitted to the Planning and Building Department. Any conditions that are more restrictive than those set forth in this approval shall be adhered to.
