A. PROJECT REVIEW (FUTURE AGENDA ITEMS)

A-1. CONDITIONAL USE PERMIT NO. 05-15 (24 HOUR FITNESS – 6 MONTH REVIEW) – Tess Nguyen, Associate Planner

Tess Nguyen, Associate Planner, presented the findings of the six month review. The review was received and deemed adequate and complete by the Planning Commission.

A-2. GENERAL PLAN CONFORMANCE NO. 08-01 (LEBARD SCHOOL) – Jennifer Villasenor, Associate Planner

Jennifer Villasenor, Associate Planner, presented an overview of the project.

Commissioner Scandura noted that the city is only able to purchase 30% of the available school site, and asked if there would be a possibility of the city purchasing more of the land. Staff said that it is too soon to determine whether or not 100% of the site would become available to the city.

General discussion ensued regarding what portion of the property is city-owned. Senior Deputy City Attorney Leonie Mulvihill indicated that the Lebard Park site is owned by the city, but not the Lebard School site.

Commissioner Speaker noted that it is the purview of the Planning Commission to determine if the project is in conformance with the General Plan.

A-3. GENERAL PLAN AMENDMENT No. 07-02 (HOUSING ELEMENT UPDATE) – Jennifer Villasenor, Associate Planner

Herb Fauland, Planning Manager, advised of one Late Communication for Item No. A-3.

Jennifer Villasenor, Associate Planner, gave an overview of the project and noted that consultant Karen Warner was present to answer questions. She reported that the public review and comment period for the draft element was held from December 2007 through February 2008. She also noted that the California Housing and Community Development Department reviewed the draft element in mid-February 2008.

Chair Livengood noted that this amendment is scheduled for a Public Hearing before the Planning Commission on May 27, 2008.

Villasenor and Warner identified the proposed locations for the potential affordable units, noting that there could be approximately 2,000 units located on Beach Blvd. and 2,000 units located on Edinger Avenue.

Commissioner Scandura asked if certain areas would have to be re-zoned to residential, and Planning Manager Herb Fauland noted that a Zoning Map Amendment and General Plan Amendment would be required for areas not designated as residential.

Chair Livengood requested an additional study session, on this item, be scheduled for May 13, 2008.
