211.02 Commercial Districts Established

The purpose of the Commercial districts is to implement the General Plan and Local Coastal Program commercial land use designations. Three (3) commercial zoning districts are established by this chapter as follows: (3334-6/97)

- A. The CO Office Commercial District provides sites for offices for administrative, financial, professional, medical and business needs.
- B. The CG General Commercial District provides opportunities for the full range of retail and service businesses deemed suitable for location in Huntington Beach.
- C. The CV Visitor Commercial District implements the Visitor Serving Commercial land use designation within the coastal zone and provides uses of specific benefit to coastal visitors. More specifically, the CV district provides opportunities for visitor-oriented commercial activities, including specialty and beach related retail shops, restaurants, hotels, motels, theaters, museums, and related services. (3334-6/97)

211.04 CO, CG, and CV Districts: Land Use Controls

In the following schedules, letter designations are used as follows:

"P" designates use classifications permitted in commercial districts.

"L" designates use classifications subject to certain limitations prescribed by the "Additional Provisions" that follow.

"PC" designates use classifications permitted on approval of a conditional use permit by the Planning Commission.

"ZA" designates use classifications permitted on approval of a conditional use permit by the Zoning Administrator.

"TU" designates use classifications allowed upon approval of a temporary use permit.

"P/U" for an accessory use means that the use is permitted on the site of a permitted use, but requires a conditional use permit on the site of a conditional use.

Use classifications that are not listed are prohibited. Letters in parentheses in the "Additional Provisions" column refer to provisions following the schedule or located elsewhere in the Zoning Ordinance. Where letters in parentheses are opposite a use classification heading, referenced provisions shall apply to all use classifications under the heading.

The following schedule prescribes development standards for the CO, CG and CV districts. The first three columns prescribe basic requirements for permitted and conditional uses in each district. Letters in parentheses in the "Additional Requirements" column refer to standards following the schedule or located elsewhere in the zoning ordinance. In calculating the maximum gross floor area as defined in Chapter 203, the floor area ratio is calculated on the basis of net site area. Fractional numbers shall be rounded down to the nearest whole number.
