FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Planning Commission finds that the proposed project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to City Council Resolution No. 4501, Class 5, which supplements the California Environmental Quality Act because the request is a minor street vacation.

FINDINGS FOR APPROVAL – GENERAL PLAN CONFORMANCE NO. 13-001:

The proposed vacation of the Cullum public right of way easement is consistent with the following goals and objectives of the General Plan:

A. Land Use Element

LU Goal 2: Ensure that development is adequately served by transportation infrastructure, utility infrastructure, and public services.

Since adequate curb, gutter, sidewalk and ramp improvements have been constructed to provide an improved pedestrian access connection between sidewalks fronting Main Street and Springfield Avenue, the easement is not necessary to support existing and future public use. Upon vacation, the fee title for the area will revert back to the single family property owner.

B. Circulation Element

CE Objective 1.1: Balance the circulation system with the circulation demands generated by the implementation of the City's Land Use Element.

CE Goal 2: Provide a circulation system which supports existing, approved, and planned land uses throughout the City while maintaining a desired level of service on all streets and at all intersections.

Existing streets and pedestrian sidewalks currently provide sufficient access to the surrounding residential uses. The subject area is no longer necessary to construct right-of-way infrastructure to provide the public circulation needs of the abutting properties.

The vacation of the subject right-of-way easement will not have a detrimental impact on the circulation system.

D-2. GENERAL PLAN CONFORMANCE NO. 13-002 (CHAPMAN EASEMENT VACATION) Applicant: Public Works Department, City of Huntington Beach
Property Owner: Dennis Chapman **Request:** To determine if the vacation of an existing right of way easement is in conformance with the goals, objectives, and policies of the General Plan. **Location:** Southeast corner of Main Street at Springfield Avenue **City Contact:** Hayden Beckman, Planning Aide

STAFF RECOMMENDATION: Motion to: "Adopt Resolution No. 1671, approving General Plan Conformance No. 13-002 with findings (Attachment Nos. 1 and 2)."

Hayden Beckman, Planning Aide, gave the staff presentation and an overview of the project.

FINDINGS FOR APPROVAL – GENERAL PLAN CONFORMANCE NO. 13-002:

The proposed vacation of the Chapman public right of way easement is consistent with the following goals and objectives of the General Plan:
