

**CITY OF HUNTINGTON BEACH  
PUBLIC WORKS COMMISSION  
REQUEST FOR ACTION**

Item No. PWC 08-19

**SUBMITTED TO:** Chairman Rivera and Members of the Commission

**SUBMITTED BY:** Travis K. Hopkins, PE, Director of Public Works 

**DATE:** May 21, 2008

**SUBJECT:** Heil Avenue Widening, CC-1230

**Statement of Issue:** Plans and specifications for the Heil Avenue Widening, CC-1230 are in final preparation. Staff requests recommendation of this project to the City Council.

**Funding Source:** Funds in the amount of \$1,535,125 are budgeted in MPAH grant monies and the Traffic Impact Fee fund, Heil Avenue Widening 20690009. The engineer's cost estimate for this project is \$1,200,000.

**Recommended Action:** Motion to recommend to the City Council the Heil Avenue Widening, CC-1230.

**Alternative Action(s):** Deny approval and recommend an alternative action.

**Analysis:** The project will construct the street improvements necessary to widen the north side of Heil Avenue between Silver Lane and Beach Boulevard to its full 80-foot secondary arterial street width. Currently, this segment of Heil Avenue provides one through-lane in each direction, bike lanes, and a striped median. The widened street section will provide one additional through-lane in each direction. The project includes relocation of existing utility poles and the construction of new asphalt pavement, concrete curb, gutter, sidewalk, street lights, and the installation of 24" box parkway trees. An eight-foot high wall will also be constructed along the proposed northerly right-of-way.
