# Rainwater & Low Impact Development Workshop

Sponsored by the Orange County  
Stormwater Program and the Municipal  
Water District of Orange County

*This FREE workshop is open to all Orange County residents. Workshop participants will learn about rainwater harvesting, grey water systems and low impact development. This workshop will be taught by Brad Lancaster – an expert in rainwater, grey water, and storm water harvesting. Brad has more than fifteen years experience in permaculture consulting, design, and implementation. Space is limited to 120 people so RSVP today!*
