Domestic Partner Information

- The following definition is added to the list of definitions in your booklet.
Domestic Partner - means a person who, together with the Eligible Employee, has affirmed a domestic partnership through an affidavit of domestic partnership filed with the Client.
- The following information is added to the section of your booklet titled **Eligibility for Benefits**.
A Domestic Partner may remain covered in this plan as an Eligible Dependent until the Eligible Employee is no longer covered in this plan or until such partnership is terminated by either or both parties.

Dependents of a Domestic Partner who meet the eligibility requirements outlined in your Evidence of Coverage are also covered by this plan.
