

Substance Abuse Treatment Benefits

Attachment to Benefit Summary (Uniform Benefits and Coverage Matrix)

For Access+ HMO® Plan

How the Plan Works

In addition to the benefits listed in the Benefit Summary, your health plan also covers inpatient hospital and professional (physician) services for substance abuse treatment and rehabilitation provided via hospitalization or partial hospitalization/day treatment.¹ All services must be medically necessary. Blue Shield of California has contracted with a Mental Health Service Administrator (MHSA), a licensed specialized health care service plan, to administer and deliver these services from MHSA participating providers. The MHSA is only the administrator for participating providers. Blue Shield of California does not provide benefits for services provided by non-participating providers.
