

RSVP

Bob Snyder

RETIRED SENIOR VOLUNTEER PROGRAM

Bob Snyder has been a member of the Retired Senior Volunteer Program since 1995. In addition to his patrol duties, Bob has worked as a traffic-hearing officer, a trainer for new RSVP volunteers, and assisted with many special events including acting as “Santa” for the Police Department’s “Santa Comes to Orangewood in December.” Bob’s greatest contribution to RSVP was his coordination of the 4th of July float and Oak View Haunted House. His design of both projects and his facilitation of the construction and implementation of the float and the haunted house have really helped the RSVP program be active in the community.

Before retirement, Bob worked in auto sales. He and his wife of 48 years, Jackie, have lived in Huntington Beach since 1971. In his free time he enjoys woodworking, water-skiing, and traveling. Bob’s adventurous, fun attitude is contagious and has led him into many interesting experiences in his life. In fact, Bob was the first person in the US to parachute over water! His philosophy in life is to keep smiling and stay away from “gloom-peddlers”!

Unfortunately, Bob will be leaving the RSVP program this month so he and Jackie will have more free time to travel. He will be very much missed by the group but has agreed to remain a “consultant” for the 4th of July float and Oak View Haunted House!

Congratulations Bob and thank you for all your hard work as a HBPD volunteer!

VOLUNTEERS OF THE MONTH

Adelaide Wallace

VOLUNTEERS IN POLICE SERVICES PROGRAM

(Retired)

Adelaide Wallace was a Registered Nurse for over 30 years and her specialty was chemical dependency. She retired from Kaiser Permanente in 1994 and moved to Huntington Beach to enjoy the ocean and walk on the beach as often as she could. She wanted to give back to others, so she started volunteering at the Rogers Senior Center. Due to the Orange County bankruptcy, there were cutbacks in city jobs.

Volunteers were needed to fill these positions and Adelaide starting volunteering at the City Hall front desk and helped in this position for over a year. Adelaide enjoyed this volunteer work and learned a lot about the city.

In 1997, Adelaide signed up to attend the Citizens Police Academy and after graduation she joined the Volunteers In Police Services Program. During her volunteer time with the Volunteers in Police Services Program, she worked three Shoreline Marathons, volunteered at the Oak View Substation and was a great help in the oak View Haunted House project. She also worked as a volunteer in the Print Shop to collate and staple a burglary booklet distributed at all Neighborhood Watch meetings.

In June 2001, Adelaide wanted to extend her volunteer work in the

- Learn about your surroundings. Ask local residents about problem areas and avoid them.
- Select sightseeing companies and guides carefully.
- Make sure your children know the name, address, and telephone number of your hotel or motel.
- Avoid advertising you are a tourist by the way you dress.
- If older children go off separately, be sure they have watches and check in with you at prearranged times.

TAKE ACTION—TODAY!

JULY CRIME PREVENTION TIPS

Safety at the Door

- Always keep your doors locked while you are home and while away. Always lock your door before going to sleep at night.
- When someone knocks at your door, don't open it unless you know who they are.
- Have a door viewer installed on each exterior door, or look out the window before you open your door.
- If someone knocks on your door and needs to make an emergency call, get the phone number and make the call for them. Do not open the door to let them in.
- Don't hide a spare key outside your door—under the doormat, in the mail box, flower box, over the door—the burglar knows where to look.
- Leave a spare house key with a trusted neighbor.
- Change the locks whenever you move into a new house or apartment.
- It is a good idea to install a security metal screen that has a deadbolt on it.
- For the best security, all doors should be of solid wood construction without any glass and be equipped with a one-inch deadbolt lock.
- Never carry identification tags on your key ring with your name or address.
- It is smart to keep your porch light on all night and light your door area.

- Call the H.B. Police Crime Prevention Unit at 536-5933 to have a home security booklet sent to your home. Install all locks recommended to make it more difficult for an average burglar to break in.
- List all credit card numbers, their expiration dates, and numbers to call if lost.
- Have your car checked.
- Offer your help to neighbors when they go away!

drug house on your street, call the Narcotics Unit at (714) 536-5981 and give them the address and information. If you have a problem house with other possible criminal activity, you can contact the COP Liaisons. North area officer is Officer Domingo at 375-5095 or south of Talbert is Officer Warden at 375-5140. Working and

communicating with your neighbors and police can make a big difference in your neighborhood, but it takes getting involved and some time and effort.

The theme, back by popular demand, is "Give Neighborhood Crime and Drugs a Going Away Party." To schedule a Neighborhood Watch meeting, call 536-5933. Remember, it is everyone's job to keep crime out of their neighborhoods. Call today and do your part to keep Huntington Beach a safe place to live.

Going Away? Got a Minute to Talk About PROTECTING YOUR HOME AND SAFETY WHILE TRAVELING.

It's a fact that almost all types of personal and household crime are highest in the warm months when people spend more time away from home on vacations or are involved in outdoor activities. Avoid becoming part of this statistic by following these suggestions to protect your home, property, and family while you're relaxing and having fun!

BEFORE YOU LEAVE use this checklist to secure your home.

- Make sure your home looks lived in, not empty: stop mail and cancel all deliveries or ask a friend to make daily collections. Hide empty garbage cans. Leave shades and blinds in normal positions. Put an automatic timer on several lights and the radio. Have a neighbor keep your property maintained.
- Leave a key with a trusted neighbor.
- Store valuables in a safe deposit box.
- Tell a neighbor you trust your departure and return dates. Supply an itinerary with phone numbers where you can be reached in an emergency.
- Ask neighbors to keep an eye on your home while you're gone. Have them pick up mail, newspapers, and advertisement flyers.
- Lock all windows and doors, including your garage. Leave timers on lights inside.

AND AWAAAY WE GO...

- Carry a minimum amount of cash. Use traveler's checks and credit cards, but keep a record of their numbers in a separate and safe place.
- Keep careful tabs on your travel tickets—they're as good as cash. Carry them in an inside pocket, not protruding from a jacket or bag.

- If driving, plan your route carefully, travel on main roads, and use maps. Have your car serviced and tires checked before leaving.
- Don't talk about your plans to strangers.
- Always lock your car when it's parked, even if the stop is brief. Keep valuables out of sight, preferably locked in the trunk. Don't leave wallets, checkbooks, or purses in the car.
- Never pick up hitchhikers.
- If you stop overnight, remove bags and other valuables from the car and take them inside.
- If your car breaks down, turn on your flashers and raise the hood or tie a white cloth to the antenna. If you must abandon your car, keep all passengers together.
- Carry a flashlight with fresh batteries, flares, a fire extinguisher, and a first aid kit.
- Avoid traveling during the night hours if you can.
- If you are in a foreign country, learn the words for police officer and doctor. Know location of the nearest U.S. consulate.

MOTELS AND HOTELS

- Use all auxiliary locking devices when occupying or leaving your room.
- Know who's knocking before you open the door.
- Keep extra cash and valuables locked in the hotel safe deposit box, not in the room. Always take cash, credit cards, and keys with you.
- Locate fire exits, elevators, and the nearest phone. Plan the best way to get out of the building in an emergency.
- Inventory your belongings daily.
- Be observant. Report any suspicious movements in the corridors or rooms to the management.

Hot Weather Summer Safety Tips

Summer's here and so is the hot weather! Even though we live in a very safe city and crime is down, we still have crime that occurs on a daily basis. Most crimes happen because the criminal was given the opportunity. Remove the opportunity, and you lessen your chance of becoming a victim of crime. The Crime Prevention Unit wants to remind you to be extra careful about closing and locking all your windows and doors, including both garage doors. Don't be tempted to leave windows open for a cool house and come home to find it's been cleaned out.

Living at the beach, we enjoy those ocean breezes, but you take a risk by leaving your window open at night. Install a key lock and you can leave the window open a few inches. This will prevent someone from pushing/lifting the window to get in while you're sleeping. Take these precautions and have a wonderful safe summer!

No Board Meeting in August.

NATIONAL NIGHT OUT

August 6, 2002 – 7:00 p.m. to 10:00 p.m.

On Tuesday, August 6th, Huntington Beach residents are invited to join forces with thousands of communities nationwide for the "19th Annual National Night Out."

A crime/drug prevention event, National Night out is sponsored by the National Association of Town Watch and co-sponsored by police departments all over the nation.

On August 6th from 7:00 to 10:00 p.m., Huntington Beach residents are asked to turn on their porch lights and go outside to spend some time with their neighbors. Talk about starting a Neighborhood Watch Program or scheduling your second meeting to meet new neighbors. At your meeting, we will inform you about home security, auto theft/burglary, and identity theft. Even though

crime is down, we need to be alert and aware so that we won't become a victim. Another thing to discuss with your neighbors are drug houses—if you suspect a
