

2010 ENVIRONMENTAL BOARD AWARDS

The 2010 Environmental Board Awards will consist of two categories – Residential/Non-Profit Achievement and Commercial Achievement. There are cash prizes of \$500.00 each for the Residential/Non-Profit Achievement Award and Commercial Achievement Award winners. Prize money is sponsored by Southern California Edison.

The Residential/Non-Profit Achievement Award will be given to the organization or resident of Huntington Beach whose accomplishment best meets the criteria given for effort and service related to the environment. This effort or service does not have to be necessarily done in the year 2010, but it should be continued throughout the year.

The Commercial Achievement Award will be given to the business whose project in the City of Huntington Beach has the greatest impact on the environment. It is desirable that the project be completed in 2010. Projects may require field verification by a member of the Environmental Board.

Criteria for the Awards are as follows:

NON-PROFIT ACHIEVEMENT

Impact or benefit to the environment or community	35 points
Southern California Edison Incentives Earned	30 points
Can this effort or service be duplicated by others?	20 points
Creativity of effort or service	15 points

COMMERCIAL ACHIEVEMENT

Impact or benefit to the environment or community	35 points
Southern California Edison Incentives Earned	30 points
Can this project be duplicated by others?	20 points
Creativity of project	15 points
