Supervisor, Sports Complex	Ray Frankeny

## Letter from the Community Services Director

### The Beach Is My Park!

Spending time at the beach provides a welcome relief from stress, anxiety and tension, and the winter months in Huntington Beach are no exception! Close your eyes and think of how relaxed you feel surrounded by the beauty of the ocean, breathing in the sea air while hearing the rhythm of the waves on the shore. The stress of everyday life melts away, and your whole self benefits. During the winter season, the City still boasts some of the world's finest beaches. Beach Operations are busy keeping the beaches clean, beach camping is available and Annual Municipal Beach Parking passes offer the opportunity for unlimited daytime parking at the beach and downtown. Try taking a walk on the Pier, visiting our many beach concessions or just getting comfortable in your beach chair at the edge of shore and enjoy watching the dolphins play!

**Paul Emery**

Deputy City Manager/Interim Community Services Director  
"Surf City" Huntington Beach
