In recent years, open water swimming has increased in popularity. With miles of beautiful beaches in Huntington Beach, many people are taking advantage of our natural playground to enjoy the ocean and to help boost their fitness levels! All the regular benefits of swimming are available to open water swimmers and open water swimming can also add various levels of resistance and intensity. Swimming gets the heart rate up and is an excellent form of cardiac conditioning. It also increases muscle strength and provides stamina benefits. Regular swimming, especially over long distances, can make people stronger and more fit. The Annual HB Pier Swim, held on June 11th, 2016, is an excellent opportunity for seasoned swimmers to experience the ocean with their fellow athletes. See page 4 for additional information. For those smaller athletes who are not yet proficient swimmers, lessons are available starting at the age of 6 months, on page 42 of this brochure. If you are not ready to take the plunge, just enjoy the shoreline this summer…. there is plenty of sun and sand to go around!

Although I’ve lived in Huntington Beach for 28 years, this was the first Pier Swim that I’ve attended. The Pier Swim Event was exciting!! It was wonderful to see so many people that wanted to participate and perhaps check off another item on their “bucket list.”

Private 1 lessons will be held the FIRST Monday through Friday of the sessions

Private 2 lessons will be held the SECOND Monday through Friday of the sessions
The new Senior Center in Central Park, set to open in July 2016, has long been a dream of the residents of Huntington Beach. Huntington Beach Senior Services offers a range of activities and services with a focus on aging and wellness. Active aging focuses on getting seniors moving and participating in life through physical as well as mind challenging programs and events. Outreach to the frail and elderly with an emphasis on aging in place has long been a mission of the city. Through transportation, home delivered meals and care management, seniors are encouraged to remain independent in their homes for as long as possible. The new Senior Central in Central Park will offer much needed space for classes, activities, and other life enhancing services to accommodate the growing number of aging adults in Huntington Beach.

To celebrate this momentous occasion, the Community Services Department will be featuring a Special Senior Edition of the SANDS, directly mailed to your Huntington Beach residence. This will showcase activities, programs and services at the new senior center, as well as exciting opening events to come. We invite you to participate in all the Senior Center in Central Park has to offer!

Special Edition SANDS mailed out the week of May 17th.

Senior Center Class registration will begin on Tuesday, May 31st at 9:00 am.

We are pleased to say that the list of recyclable items keeps growing! Here is the expanded and complete list of items that are recyclable and a reminder of what goes in the Trash Cart.

Most consumer products come in some form of packaging consisting of paper, cardboard, plastic, aluminum or glass. When in doubt, if you can rip it or tear it, it can probably be recycled.

There is no need to separate inserts from the newspaper, nor is there a need to wash glass jars and bottles – simply empty out any food or liquid remnants before putting them in the Blue Recycle Cart. The only real work that should be done by you is flattening large cardboard boxes so they will properly fit into the Blue Cart.

Finally, if you are not sure if an item is recyclable, toss it in the Blue Cart. Rainbow will have the opportunity to recycle if it is possible to do so.
