We are pleased to say that the list of recyclable items keeps growing! Here is the expanded and complete list of items that are recyclable and a reminder of what goes in the Trash Cart.

Most consumer products come in some form of packaging consisting of paper, cardboard, plastic, aluminum or glass. When in doubt, if you can rip it or tear it, it can probably be recycled. There is no need to separate inserts from the newspaper, nor is there a need to wash glass jars and bottles – simply empty out any food or liquid remnants before putting them in the Blue Recycle Cart. The only real work that should be done by you is flattening large cardboard boxes so they will properly fit into the Blue Cart.

Finally, if you are not sure if an item is recyclable, toss it in the Blue Cart. Rainbow will have the opportunity to recycle if it is possible to do so.

Your Brown Cart ~ Non-Recyclable (Trash)

Every culture on this planet has art forms. Why is that?
The continued existence of art in society must indicate that the arts contribute in some profound way to our survival. Academic and social studies show the profound impact that the arts have on the young brain’s cognitive, social and emotional development. Much of what young children do as play — singing, drawing, dancing — are natural forms of art. These activities engage all of the senses and wire the brain for successful learning. Adults of all ages can be benefactors as well. When the arts are integrated into activities of daily living, participants learn from each other, leaders collaborate more, and interaction becomes more authentic. The arts play an important role in cognitive, emotional, and physical development. Within the pages of the SANDS Community Services Guide, we provide the community with opportunities to participate in a variety of arts experiences. It is our belief that exposure to all art forms provides a higher quality of human experience throughout a person’s lifetime.

My Future surfer 5 years old, Bella, is practicing her balance on her boogie board. She did this for at least an hour while her dad and brother were out surfing. She was all ready and excited to try it on Daddy’s long board for the first time when they came back. She had an awesome day at the beach!

The FunTime Dance is a special event for adults with developmental disabilities held on the 3rd Friday of every month at Edison Community Center from 7:30 to 9:30pm. The event is co-sponsored by the City of Huntington Beach, Kiwanis Club, The Sts. Simon & Jude Knights of Columbus and Men’s Club. Recreation staff and kind, individual volunteers create a safe, positive environment that allows the participants to have a fun experience dancing the night away to music played by a DJ. Each dance has a different theme and dancers often dress-up accordingly. Additionally, refreshments including donuts, generously donated to the dance by Adams Avenue Donuts, are served. The dance is completely supported by donations from sponsors and a suggested donation of $2 per dancer. Come out and join in the fun! For more information, call or email Recreation Supervisor John Valinsky 714-960-8870 jvalinsky@surfcity-hb.org
