EFFECTING CHANGE ONE PERSON AT A TIME

H U N T I N G T O N B E A C H P O L I C E D E P A R T M E N T

After having lived in an RV and struggled with the cost of living in HB, this family decided that they needed to go elsewhere. They set their sights on South Dakota, but could not afford the minor repairs necessary to make their "rig" safe for such a journey. With some assistance from the HTF officers, they were able to get the necessary repairs done. They are now ready for the trip. Both parents have jobs that await them as well as offers to purchase their RV, so they can get an apartment. They are excited for the next chapter in their lives and wanted to express their great appreciation for all that our unit does. We, in turn, thank you.

Recipients of our Homeless Assistance Request

Thanks to donations from one church and two individuals, Veronica was able to safely drive to Tennessee and John now has a reliable vehicle to get to and from work. Veronica looks forward to a fresh start near family and has a job lined up. John was astounded that

total strangers donated money on his behalf. Expressing his disbelief and gratitude to Officer Schloss, John stated that this was the first time he ever had new tires. John has been assigned a Fresh Beginnings mentor who will be meeting with him in the near future. The mentor will walk John's journey with him and help empower him to change his circumstances.

**WHAT DOES THIS CITY NEED TO ASSIST THE HOMELESS IN CHANGING THEIR LIVES?
VOLUNTEERS WHO LOOK A LOT LIKE YOU.**

For homeless who say they are ready to make a change, a solution is not immediate and often spans many months. Volunteers are needed to create relationships with those desiring improvement in their lives. These relationships are based upon the belief that success comes from self-respect and empowerment. As such, volunteers commit to “walk with” one homeless individual and encourage them as they take affirmative steps toward change. If this sounds interesting, consider becoming a mentor through **Fresh Beginnings Ministries** (see above) or an outreach volunteer in Huntington Beach with **Coast to Coast Foundation** (888-275-5160 or info@CoastToCoastFoundation.org).
