## MERRY CHRISTMAS FROM THE HTF

Your Homeless Task Force has much for which to be grateful. We thank you, the local community, for supporting us by donating funds, passing out our business cards, calling us with concerns and leaving nice voicemails. We thank our HBPD command staff for giving us latitude in our outreach efforts and trusting our discretion. We thank the City's Office of Business Development for funding programs that make it easier for us to get homeless individuals into housing. We thank our nonprofit and County partners who work tirelessly to help us provide solutions for those living outside. Merry Christmas.

The Christmas card on the left and the attendant message below were sent to the HTF. It is this kind of appreciation that invigorates our efforts and reminds us to stay the course.

*I wanted to thank you again for all you did for me to get me into the OC Rescue Mission. With prayer & lots of God's grace I am still here, sober & clean, and watching... the LORD piece me back together anew like never before. My best and only friend...*
