

ABOUT BUSINESS LICENSES...

Welcome to the City of Huntington Beach business community. This information guide is intended as a summary of information you will need to know in order to operate a business in Huntington Beach. This guide is provided as a public service. It is not all-inclusive and any specific questions should be directed to the Business License Division at (714) 536-5267. Clarification and definition can also be found in the Huntington Beach Municipal Code, Title 5. A City of Huntington Beach business license is not a regulatory license but is a tax to help pay for the public safety needs of the people of Huntington Beach.

Who Needs a Business License?

The City of Huntington Beach Municipal Code requires most businesses operating in Huntington Beach to pay an annual business license tax. Business Licenses are not transferable between owners; however, they may be transferred to a new location upon notification to Business License and approval by the Community Development Department. All businesses, trades, professions, callings, or occupations operating in the City need a Business License. These include but are not limited to:

- ✓ Any business in a commercial or industrial location.
- ✓ Persons who have a home office or use their home as the headquarters of their business.
- ✓ Businesses, which are located outside the city, but transact business in the city such as contractors, cleaners, repair people, gardening services, fumigators, telemarketers etc.
- ✓ Independent contractors such as doctors, real estate brokers, hairdressers, janitorial contractors, and home party demonstrators.
- ✓ Apartment owners of three or more units.
- ✓ Mobile Vendors who sell merchandise from their vehicles, such as gourmet food trucks and ice cream trucks.
- ✓ Temporary businesses such as a one-day or weekend event in the city, or a short-term seasonal business.

How Do I Obtain a Business License?

You can obtain an application from City Hall, or download one from our website at www.huntingtonbeachca.gov. Look under the Finance Dept. for Business License. Complete the application and bring it to City Hall on the 1st floor, 2000 Main Street or mail it to Business License, P.O. Box 190, Huntington Beach, CA 92648. If you are in a commercial location in the city, you will need to fill out an application for a Certificate of Occupancy for the Planning and Building Department, who can be reached at (714) 536-5271.

How Much Does It Cost?

The business license cost is based on a flat tax plus additional amounts if there are more than 3 employees, more than 1 business vehicle or coin operated machines. A typical business license tax starts at \$75 plus a non-refundable processing fee. Additional amounts added are as follows:

Additional Employees: 4 - 12	\$4.00 each
13 - 52	\$3.00 each
> 52	\$2.00 each
Additional vehicles: Under 1 ton:	\$12.00 each
1 to 3 tons:	\$35.00 each
Over 3 tons:	\$46.00 each

Home-based businesses are required to pay a one-time fee for a Home Occupation Permit, in addition to their license.

Some business licenses are calculated differently (apartment rentals, hotels, carnivals, special events, vending machines, out of town contractors, pool halls). Call (714) 536-5267 for these licenses.
