

Huntington Beach Fire Department

Annual Response
Statistics
2009

MISSION

The Huntington Beach Fire Department is dedicated to providing high quality services to prevent the loss of life and property in our community from fire, medical and environmental emergencies.

VISION

The Huntington Beach Fire Department strives to be recognized as a progressive, innovative and technologically advanced fire organization, respected for valuing the customers we serve and the people we employ.

VALUES

The Huntington Beach Fire Department provides quality customer service with emphasis on personal contact.

The Huntington Beach Fire Department proudly provides the finest fire protection, rescue, emergency medical, and hazardous materials control and response services to our community.

Our Department prides itself in providing innovative solutions to maintain the most cost effective, community oriented, customer care organization. Our programs are successful due to professionally trained and dedicated people who implement them. The Huntington Beach Fire Department is extremely proud of the people we have attracted and of the quality efforts of all of the members of this organization.

Our Department continues to be a proactive organization, managing hazardous materials and requiring self-extinguishing systems, and also provides traditional approaches to firefighting and emergency medical delivery that emphasizes “Community Customer Care.” The Huntington Beach Fire Department strives to provide a high quality of life for our residents.
