EFFECTING CHANGE ONE PERSON AT A TIME

“THANK YOU FROM THE BOTTOM OF OUR HEARTS in all that you have done for my son and me. In a short period, we got off the streets and I am now transitioning into full-time work with a roof over our heads and reliable transportation. This gift allows me to not worry so much about who will be caring for my son while I work. Some day soon, hopefully by the end of the year, I will be the contributor and help other families get a fresh start just like you did for us. My son and I thank you for all your kindness and the contribution towards his education and child care.”

Gary, a gracious local mechanic who assisted HTF clients with car repairs so they could secure employment. Of the woman below, he told us she was so grateful she could not stop crying .

RIGHT: This is the elderly HB resident whom you assisted with rent. She posed for a picture and wanted the HTF to pass on her sincere thanks.

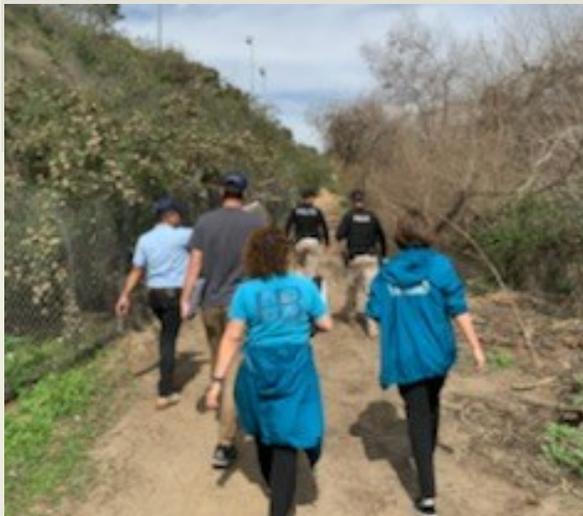

HTF IN THE COMMUNITY

The Homeless Task Force officers and case managers perform outreach and enforcement in various parts of Huntington Beach. The locations are chosen based upon their observations and citizen tips. On occasion, they bring county employees who are trained to identify and address mental health issues. The most efficient way to communicate problems regarding the homeless is to use the MyHB app. To read more, click on:

Case managers do outreach near Kathy May's Cafe to encourage homeless to take steps to get off the street

Officers and case managers walk with County Health Care Agency workers at local parks in an attempt to connect homeless to much needed services

A HEARTY THANKS TO THOSE WHO DONATED TO **COAST TO COAST FOUNDATION** FOR OUR LATEST OUTREACH REQUESTS. BOTH LADIES WERE COMPLETELY AMAZED THAT STRANGERS WERE WILLING TO DONATE MONEY TO HELP THEM.
