As a result of these formulas, it is understood that the employee contribution shall not decrease during the term of this Agreement nor is there any expectation of compensation or benefit in the event the City's contribution cap is not reached.

Employee payroll deductions shall be made on a pre-tax basis.

#### 4. Medical Cash-Out

If an employee is covered by a group medical plan outside of a city-provided program (evidence of which must be supplied to the Human Resources Department), the employee may elect to discontinue City medical coverage and receive the amount equal to the City's contribution to the lowest cost, Employee-only medical premium offered to this unit.

#### 5. Section 125 Plan

#### C. Life and Accidental Death & Dismemberment

Each employee is provided with \$50,000 (fifty thousand) life insurance and \$50,000 (fifty thousand) accidental death & dismemberment insurance paid for by the City. Each employee shall have the option, at his or her own expense, to purchase additional amounts of life insurance and accidental death & dismemberment insurance to the extent provided by the City's current providers. Evidence of insurability is contingent upon total participation in additional amounts.

#### D. Long Term Disability Insurance

This program provides, for each incident of illness or injury, a waiting period of thirty (30) calendar days, during which the employee may use accumulated sick leave, general leave pay, or the employee may elect to be in an unpaid status. Subsequent to the thirty (30) day waiting period, the employee will be covered by an insurance plan paid for by the City, providing 66 2/3 (sixty six and two-third) percent of the first \$12,500 (twelve thousand five hundred) of the employee's basic monthly earnings.

The maximum benefit period for disability due to accident or sickness shall be to age sixty five (65).

Days and months refer to calendar days and months. Benefits under the plan are integrated with sick leave, Worker's Compensation, Social Security and other non-private program benefits to which the employee may be entitled. Disability is defined as: "The inability to perform all of the duties of regular occupation during two years, and thereafter the inability to engage in any employment or occupation for which the employee is fitted by reason of education, training or experience." Rehabilitation benefits are provided in the event the

individual, due to disability, must engage in another occupation. Survivor's benefits continue plan payment for three (3) months beyond death. A copy of the plan is on file in the Human Resources Department.

The intent of long term disability is to assist employees who are off work for an extended period of time. While long term disability benefits can be coordinated with accrued leave benefits to achieve one hundred percent (100%) of regular salary, no employee may receive more than their regular salary while receiving disability benefits and paid leave.

Eligibility for Retiree Medical Coverage terminates the first of the month in which the retiree or qualified dependent turns age sixty-five (65).

a. Employees on the payroll on November 20, 1978 are entitled to the following sick leave payoff plan:

At involuntary termination by reason of disability, or retirement, employees (or in the case of death, their beneficiary) shall be compensated at their then current rate of pay for seventy-five percent (75%) of all unused sick leave accumulated as of July 1, 1972, plus fifty percent (50%) of unused sick leave accumulated subsequent to July 1, 1972, up to a maximum of seven hundred twenty (720) hours of unused, accumulated sick leave, except as provided in paragraph 4 below.

Upon termination for any other reason, employees shall be compensated at their then current rate of pay for fifty percent (50%) of all unused, accumulated sick leave, up to a maximum of seven hundred twenty (720) hours of such accumulated sick leave.

### 3. Notification of Employees

### 4. Part 2 – Bumping Rights

#### a. Voluntary Reduction or Bumping in Lieu of Layoff

- 1) A promotional probationary employee or permanent employee who receives a layoff notice may request a reduction to a position in a lower class within the occupational series provided the employee possesses the necessary qualifications to perform the duties of the position.
- 2) Employees electing reduction under "a" above, shall be reduced to a position authorized to be filled in a lower class within the employee's occupational series. The employee may reduce to a lower class in his/her occupational series by: 1) filling a vacancy in that class, or 2) if no vacancy exists, displacing the employee in the class with the least service credit whose position the employee has the necessary qualifications to perform. A displaced employee shall have bumping rights.
- 3) An employee who receives a layoff notice must exercise bumping rights within seven (7) calendar days of receipt of the notice as specified in Part 1 - Layoff Procedure. Failure to respond within the time limit shall result in a reputable presumption that the employee does not intend to exercise any right of reduction or bumping to a lower class. The employee must carry the burden of proof to show that the employee's failure to respond within the time limits was reasonable. If the employee establishes that failure to respond within the time limit was reasonable, to the Director of Human Resources satisfaction, the employee shall be permitted to exercise bumping rights, but shall not be reinstated to a paid position until the employee to be bumped has vacated the position. If the employee disagrees with the Director of Human Resources decision, the employee may appeal pursuant to the provisions of Sections 3 and 4 below.

The appeal shall be filed with the Director of Human Resources within five (5) calendar days of the employee's receipt of written notice of the decision and reason(s) for denial. The employee's appeal shall be in writing and shall include supporting facts or documents supporting the appeal.

## MANAGEMENT EMPLOYEES' ORGANIZATION

### d. Qualifications Appeal Hearing

- 1) Upon receipt of an appeal, the Director of Human Resources shall contact a mediator from the California State Mediation and Conciliation Service to schedule a hearing within two (2) weeks after receipt of the appeal. If the California State Mediation and Conciliation Service is not available within that time frame, the parties shall mutually select a person who is available within the time frame. If the California State Mediation and Conciliation Service and the person mutually selected are not available within the time frame, the parties shall select the earliest date either is available to conduct the hearing. The parties shall split the cost, if any, of the hearing officer. In addition, the parties shall meet within three (3) workdays to attempt to resolve the dispute. If the dispute remains unresolved, the parties shall endeavor in good faith to submit to the hearing officer a statement of all agreed upon facts relevant to the hearing.
