NOTICE OF ACTION

April 13, 2016

SUBJECT: PLANNED SIGN PROGRAM NO. 15-006 (HYUNDAI DEALERSHIP)

APPLICANT: Robert May, P.S. Services Inc., 2820 E. Gretta Lane, Anaheim, CA 92806

PROPERTY OWNER: Jax Beach Properties, 1271 Auto Center Drive, Anaheim, CA 92806

REQUEST: To establish a planned sign program for an existing Hyundai Dealership.

LOCATION: 16751 Beach Blvd., 92647 (north side of Terry Dr. and west of Beach Blvd.)

DATE OF ACTION: April 12, 2016

On April 12, 2016, the Community Development Department took action on your application, and your application was **conditionally approved**. Attached to this letter are the conditions of approval for your application.

Under the provisions of the Huntington Beach Zoning and Subdivision Ordinance, the action taken by the Community Development Department is final unless an appeal is filed to the Planning Commission by you or by an interested party. A person desiring to appeal the decision shall file a written notice of appeal to the Secretary of the Planning Commission within ten calendar days of the date of the Community Development Department's action. The notice of appeal shall include the name and address of the appellant, the decision being appealed, and the grounds for the appeal. A filing fee of \$494 shall also accompany the notice of appeal. Said appeal must be in writing and must set forth in detail the action and grounds by which the applicant or interested party deems himself aggrieved. The last day for filing an appeal and paying the filing fee for the above noted application is **April 22, 2016 at 5:00 p.m.**

Please be advised that the Community Development Department reviews the conceptual plan as a basic request for entitlement of the use applied for and there may be additional requirements prior to issuance of building permits. It is recommended that you immediately pursue completion of the conditions of approval and address all requirements of the Huntington Beach Zoning and Subdivision Ordinance in order to expedite the processing/completion of your project. The conceptual plan should not be construed as a precise plan, reflecting conformance to all Zoning and Subdivision Ordinance requirements.

If you have any questions, please contact Ethan Edwards, Associate Planner at (714) 536-5561 or the Community Development Department Planning and Zoning Information Counter at (714) 536-5271.

Sincerely,

Scott Hess, AICP
Director of Community Development

ATTACHMENT NO. 1

CONDITIONS OF APPROVAL – PLANNED SIGN PROGRAM NO. 15-006

1. The plans received and dated April 11, 2016 shall be the conceptually approved planned sign program.
2. Prior to the installation of any signs, pursuant to Planned Sign Program No. 15-006, a sign permit shall be approved by the Department of Community Development.
3. Planned Sign Program No. 15-006 shall become null and void unless exercised within one year of the date of the final approval, which is April 11, 2017, or such extension of time as may be granted by the Director pursuant to a written request submitted to the Community Development Department a minimum of 30 days prior to the expiration date.

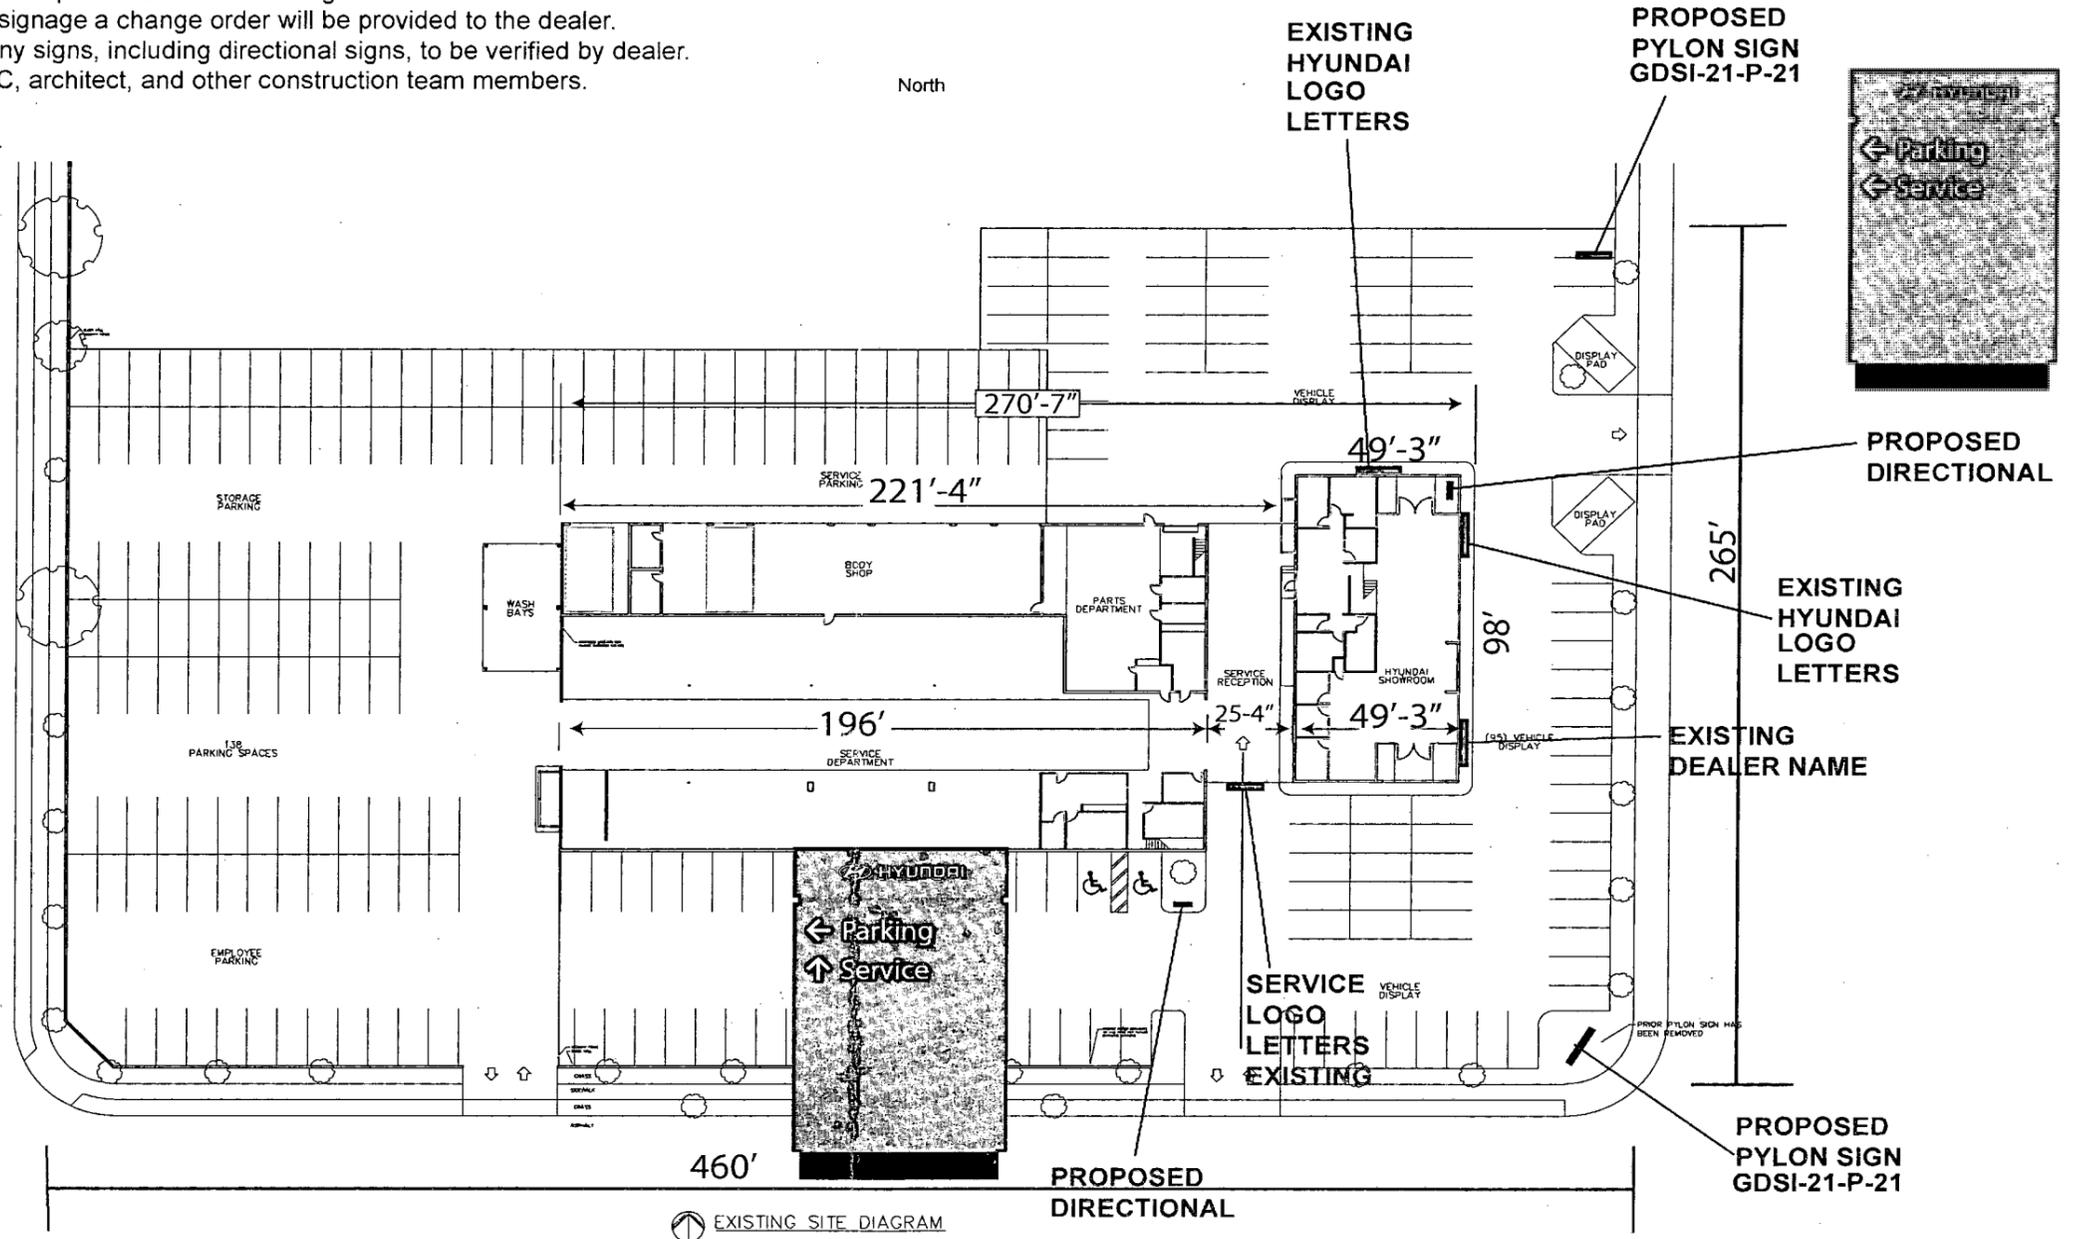

INDEMNIFICATION AND HOLD HARMLESS CONDITION:

The owner of the property which is the subject of this project and the project applicant if different from the property owner, and each of their heirs, successors and assigns, shall defend, indemnify and hold harmless the City of Huntington Beach and its agents, officers, and employees from any claim, action or proceedings, liability cost, including attorney's fees and costs against the City or its agents, officers, or employees, to attack, set aside, void or annul any approval of the City, including but not limited to any approval granted by the City Council, Planning Commission, or Design Review Board concerning this project. The City shall promptly notify the applicant of any claim, action or proceeding and should cooperate fully in defense thereof.

Art represents approximation of sign appearance.
 Ground sign to be installed on new foundation.
 Exact location of sign to be determined. Final location of sign subject to municipality approval.
 Ground sign recommendation/pricing assumes installation without obstructions, on level grade. Dealer to locate private utilities, and identify location.
 Dealer to provide 120 volt, 20 amp dedicated circuit to sign.
 If an engineer alters quoted signage a change order will be provided to the dealer.
 Copy on and placement of any signs, including directional signs, to be verified by dealer.
 Dealer to supply above to GC, architect, and other construction team members.

Signs will require a variance.

Art represents an approximation of sign and aluminum composite material (ACM) panel appearance.
 Dealer to provide 120 volt, 20 amp dedicated circuit to each sign. Larger sets may require additional circuits (e.g., HCS-57/HCL-41).
 Dealer to provide behind-the-wall access for installation and structural support for signs.
 Dealer is responsible for covering signage mounting/wires/transformers if they are visible on the inside of the building.
 If an engineer alters quoted signage a change order will be provided to the dealer.
 Please refer to AGI's Architectural Imaging's ACM proposal for details on that separate scope of work (e.g., vestibule logo/letters are included on the ACM quote).
 Copy on and placement of signs to be verified by dealer.
 Proposal assumes the building will require a field survey to determine if any signage modifications are necessary. A change order will be provided if necessary.
 Dealer to supply notes above to GC, architect, and other construction team members.

Signs will require a variance.
