

Short-Term Rental Housing Program and Regulations Online Survey

The purpose of this survey is to help the City and the City's consultant team gain better insight on the highest priority considerations for a short-term rental (STR) ordinance from the perspective of community members and local stakeholders. A STR is a home, or portion of a home, rented by paying guests for short stays up to 30 days. The results of this survey will be presented at a City Council Study Session.

Participation in this survey is voluntary. Limit one submittal per respondent. The survey will be available online from February 19 to March 13, 2020.
