Wireless Permit No. _____

CITY OF HUNTINGTON BEACH WIRELESS PERMIT APPLICATION FORM

This form is designed to elicit required technical information in support of an application for a new or modified permit (generally, the "Permit") for a wireless site within the City of Huntington Beach.

This application is a mandatory element of the application process. No application for a new wireless site Permit or for a modification of an existing wireless site Permit that qualifies for Director approval shall be considered for determination of completeness until this form and required attachments are provided to the City of Huntington Beach.

Every page of this form, including this page, must be completed and submitted to the City of Huntington Beach, and each page must be signed and/or initialed where indicated.

Questions about this form or the required information to be provided should be directed to the Project Planner assigned to your project or to the Department of Community Development at (714) 536-5271 for the City of Huntington Beach.

You are advised to be familiar with the Huntington Beach Municipal Code and Zoning and Subdivision Ordinance (HBZSO), which establishes standards and guidelines for the installation of wireless communication facilities in the City of Huntington Beach.

4.00: **Project Photographs and Photo Simulations**

4.01: Where an Applicant proposes to construct or modify a wireless site, the Applicant shall submit pre-project photographs, and photo simulations showing the project after completion of construction, all consistent with the following standards:

1. Minimum size of each photograph and photo simulation must be 8.5" by 11" (portrait or landscape orientation).
2. All elements of the project as proposed by the Applicant must be shown in one or more close-in photo simulations.
3. The overall project as proposed by the Applicant must be shown in five or more area photographs and photo simulations. Photographs and photo simulation views must, at a minimum, be taken from widely scattered positions separated by an angle of no greater than 72 degrees from any other photo location.
4. For each photograph and photo simulation. Show on an area map the location and perspective angle of each photograph and photo simulation in relationship to the Project location.
5. All 'before' and 'after' photographs and photo simulations must be of the same scale. For example, do not place a smaller 'before' photo in a box on the same page as a large "after" photo simulation.

The number of site photographs, and photo simulations, and the actual or simulated camera location of these photographs and photo simulations are subject to City of Huntington Beach determination. The Applicant must submit photographs and photo simulations consistent with these instructions, and be prepared to provide additional photographs and photo simulations should they be requested by the City of Huntington Beach.
