**CONDITIONAL USE PERMIT NO. 2009-032 WAS APPROVED BY THE ZONING ADMINISTRATOR WITH THE FOLLOWING FINDINGS AND CONDITIONS OF APPROVAL. STAFF STATED THAT THE ACTION TAKEN BY THE ZONING ADMINISTRATOR MAY BE APPEALED TO THE PLANNING COMMISSION WITHIN TEN (10) CALENDAR DAYS.**

**FINDINGS FOR PROJECTS EXEMPT FROM CEQA:**

The Zoning Administrator finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15301 of the CEQA Guidelines, because the project consists of the minor modification to an existing use within an existing multi-tenant commercial shopping center.

**FINDINGS FOR APPROVAL - CONDITIONAL USE PERMIT NO. 2009-032:**

1. Conditional Use Permit No. 2009-032 to permit the onsite sale and consumption of alcohol within a 7,355 sq. ft. grocery store with an approximately 360 sq. ft. designated area for the purpose of tasting alcoholic beverages will not be detrimental to the general welfare of persons working or residing in the vicinity or detrimental to the value of the property and improvements in the neighborhood. The proposed alcohol consumption is not anticipated to generate additional noise, traffic, parking, or other impacts detrimental to surrounding property and inconsistent with the subject property's commercial zoning. Residential uses to the south of the subject site are buffered from the existing building by mature landscaping, 6 ft. high property line fence, a 26 ft. wide drive aisle along with two rows of parking and the grocery store suite. The storefront and entrance are oriented toward the parking lot and Garfield Avenue, which is away from the residences. The consumption of alcoholic beverages will be for sampling purposes and shall be contained within a delineated tasting area inside the grocery store.
2. The conditional use permit will be compatible with surrounding uses because the onsite consumption of alcoholic beverages will be ancillary to a retail commercial use (grocery store) and will occur entirely within the interior of the building at an established commercial shopping center containing similar and complimentary uses.
3. The conditional use permit will comply with the provisions of the base district and other applicable provisions in Titles 20-25 of the Huntington Beach Zoning and Subdivision Ordinance and any specific condition required for the use in the district in which it is located. The grocery store conforms to applicable site development requirements including required minimum setbacks and minimum onsite parking. The onsite consumption of alcoholic beverages is permitted within the CG (Commercial General) zoning district with the approval of a conditional use permit.
4. The granting of the conditional use permit will not adversely affect the General Plan. It is consistent with the Land Use Element designation of CG – F1 (Commercial General – 0.35 max. Floor Area Ratio) on the subject property. In addition, it is consistent with the following objectives and policies of the General Plan:

### Land Use Element

**Objective - LU 10.1:** Provide for the continuation of existing and the development of a diversity of retail and service commercial uses that are oriented to the needs of local residents, serve the surrounding region, and capitalize on Huntington Beach's recreational resources.

**Policy – LU 10.1.8:** Require that entertainment, drinking establishments, and other similar uses provide adequate physical and safety measures to prevent negative impacts on adjacent properties.

### Economic Development Element

**Policy - ED 2.4.3:** Encourage the expansion of the range of goods and services provided in Huntington Beach to accommodate the needs of all residents in Huntington Beach and the market area.

The requested conditional use permit will accommodate an existing commercial development by allowing the addition of alcohol consumption for sampling purposes to a permitted land use (food & beverage sales). The proposed use will market its services to local residents and residents in the surrounding region thereby expanding the service-based commercial opportunities in the City. It will be located in an existing shopping center, which includes service related uses.
